Super Smash Bros.

The Player Guide Navigation

Jump to:

- [English \(3\)](#)
- [Español \(38\)](#)

A large, stylized pink graphic on the left side of the slide, composed of several overlapping triangular and quadrilateral shapes that create a sense of motion or a stylized letter 'A'.

The Player Guide

This is a player guide to help you prepare for and participate in the Nintendo Super Smash Bros. Ultimate event. Please consult the official tournament page for the official rules.

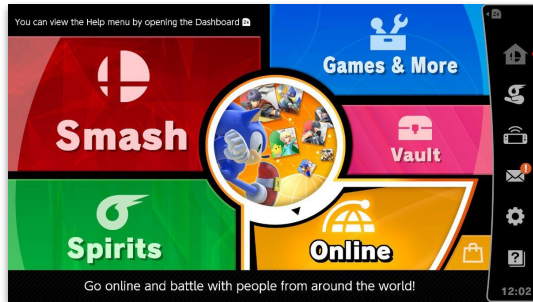

Preparation

In this section you'll be guided through the process of setting up a Ruleset, so that it can be quickly selected when creating a Battle Arena for a match

Create and Save an In-Game Ruleset

- You can create an In-Game Ruleset before the tournament so you can quickly jump into a match when you get your first round opponent
- The next slide will show the settings you must match to abide by the tournament rules

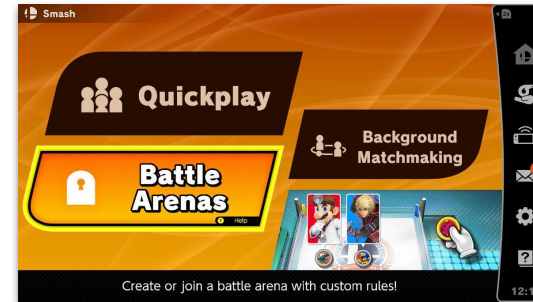

A) Navigate to create your Ruleset

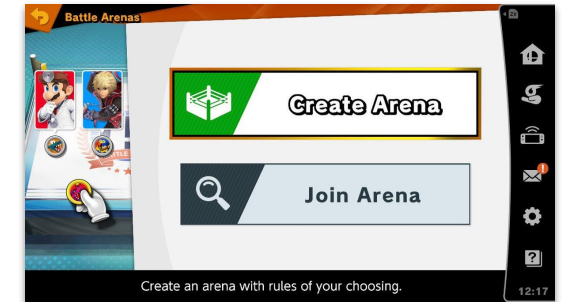

1. Select Online

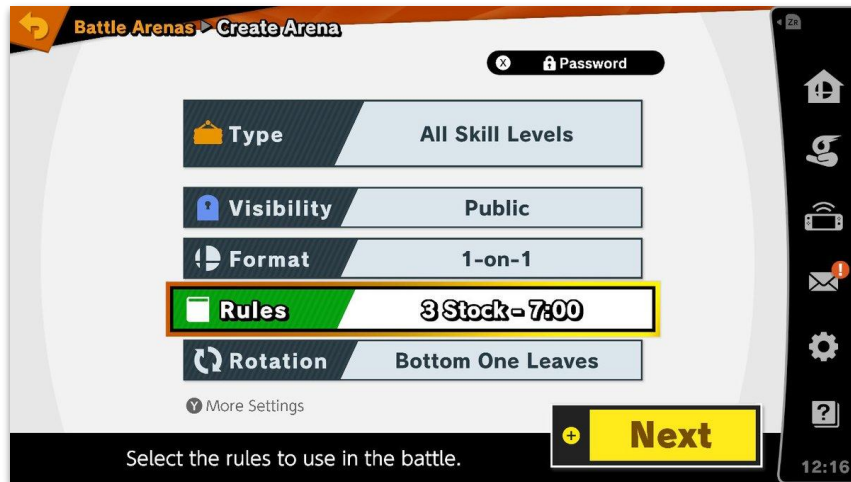

2. Select Smash

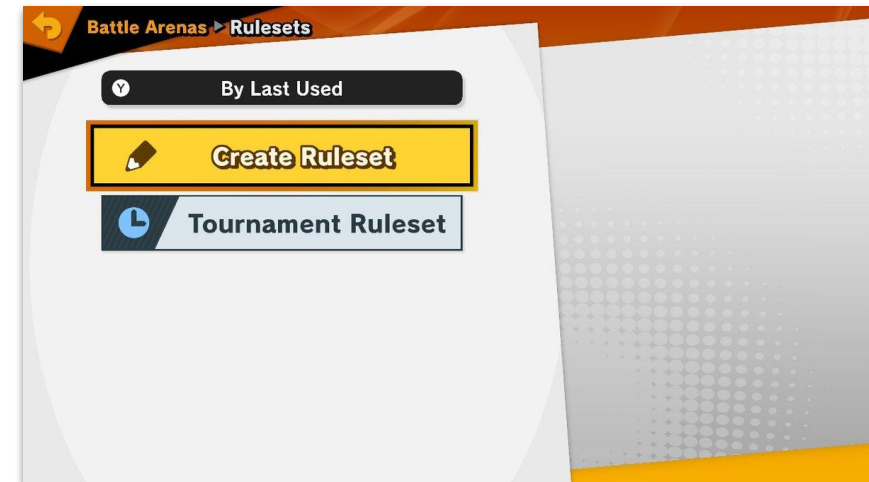

3. Select Battle Arenas

4. Select Create Arena

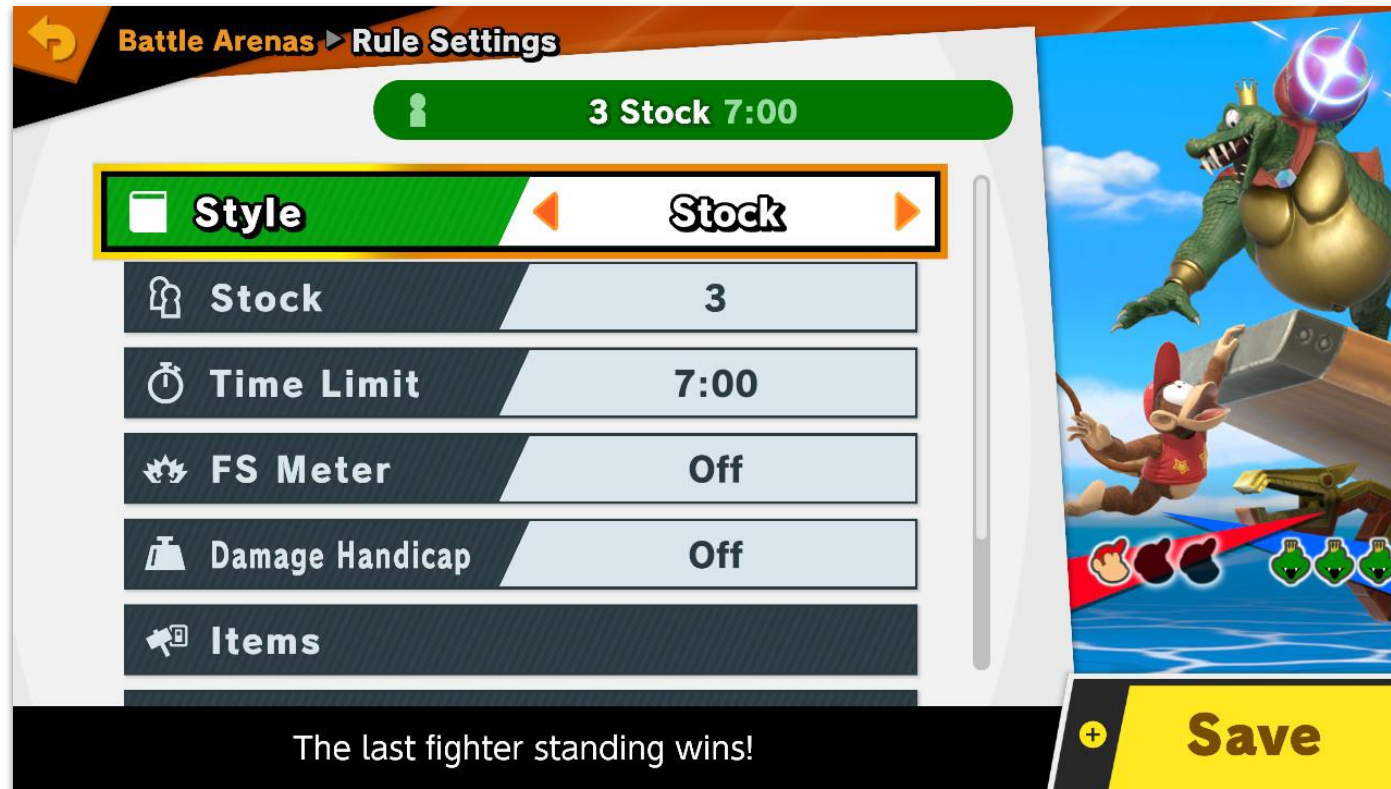

5. Select Rules to navigate to your Rulesets

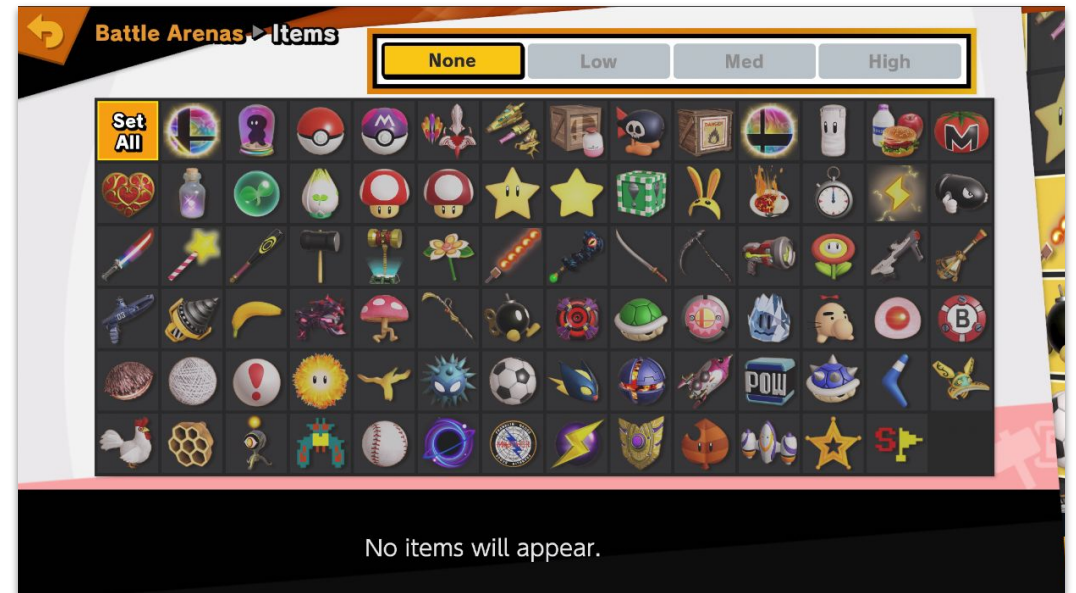

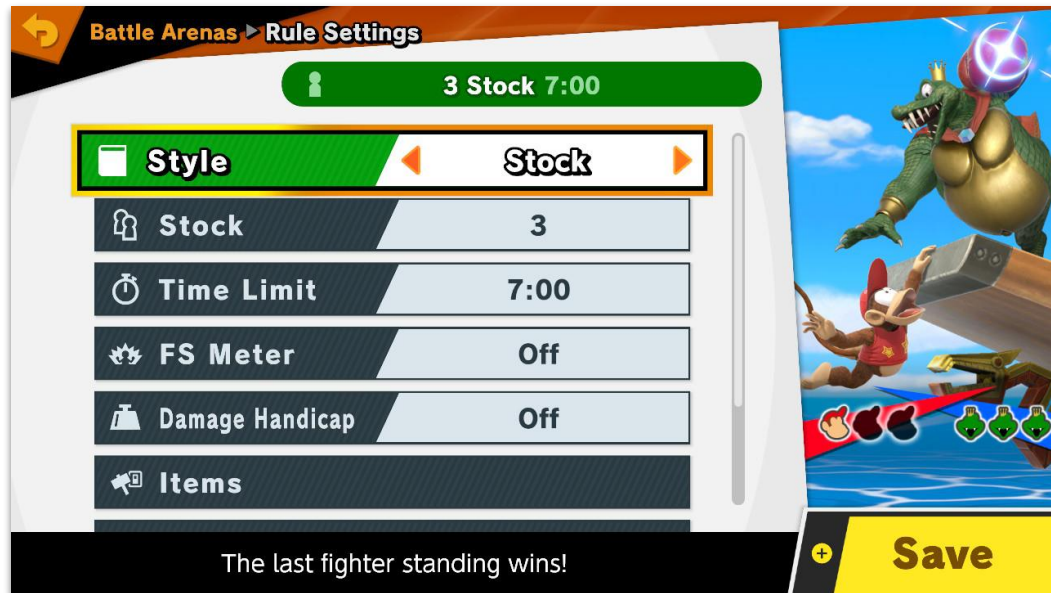

6. Select Create Ruleset

B) Match your settings with official rules

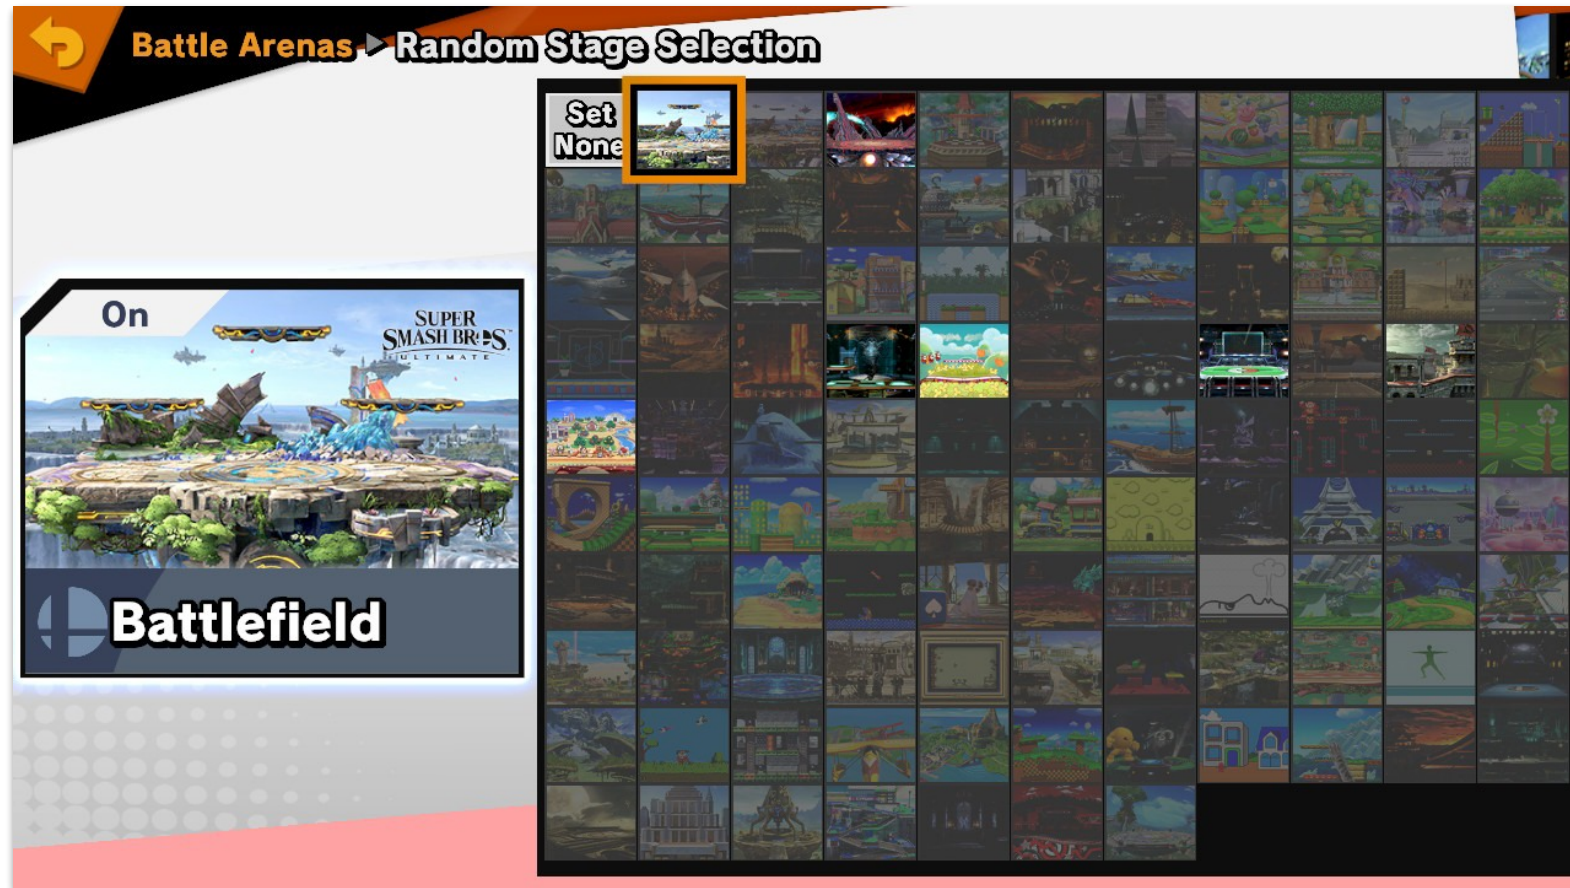

1. Set the following settings:
 - Style: Stock
 - Stock: 3
 - Time Limit: 7:00
 - FS Meter: Off
 - Damage Handicap: Off

C) Set Items

Select Items and set them as stated in the official rules.

D) Set Allowed Stages

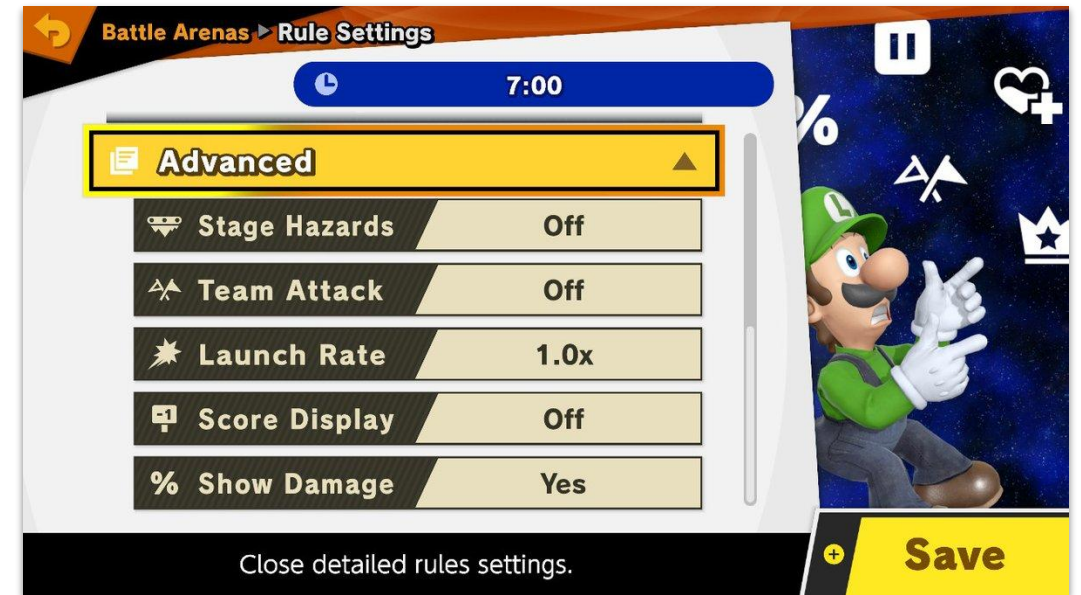

Select Stages and set them as stated in the official rules.

E) Set Advanced settings

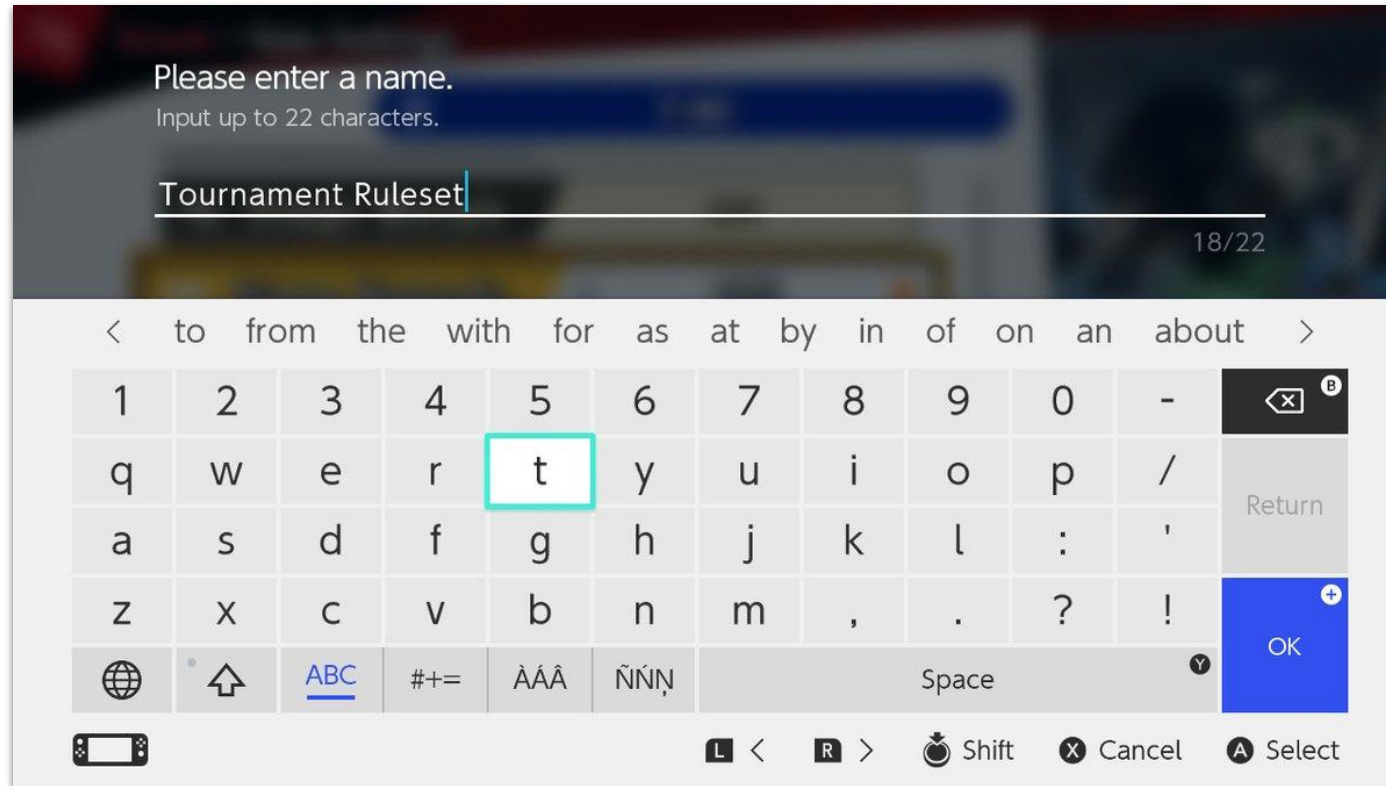

Select Advanced and ensure all settings are set correctly:

- Stage Hazards: Off
- Team Attack: Off
- Launch Rate: 1.0x
- Score Display: Off
- Show Damage: Yes

F) Save your Ruleset

Save your Ruleset with a name that you'll recognize. Whenever you're required to host a Battle Arena for a match, you can simply select this Ruleset every time.

If you have any questions related to the tournament, make sure to ask them in this official support channel. Tournament admins will be happy to help!

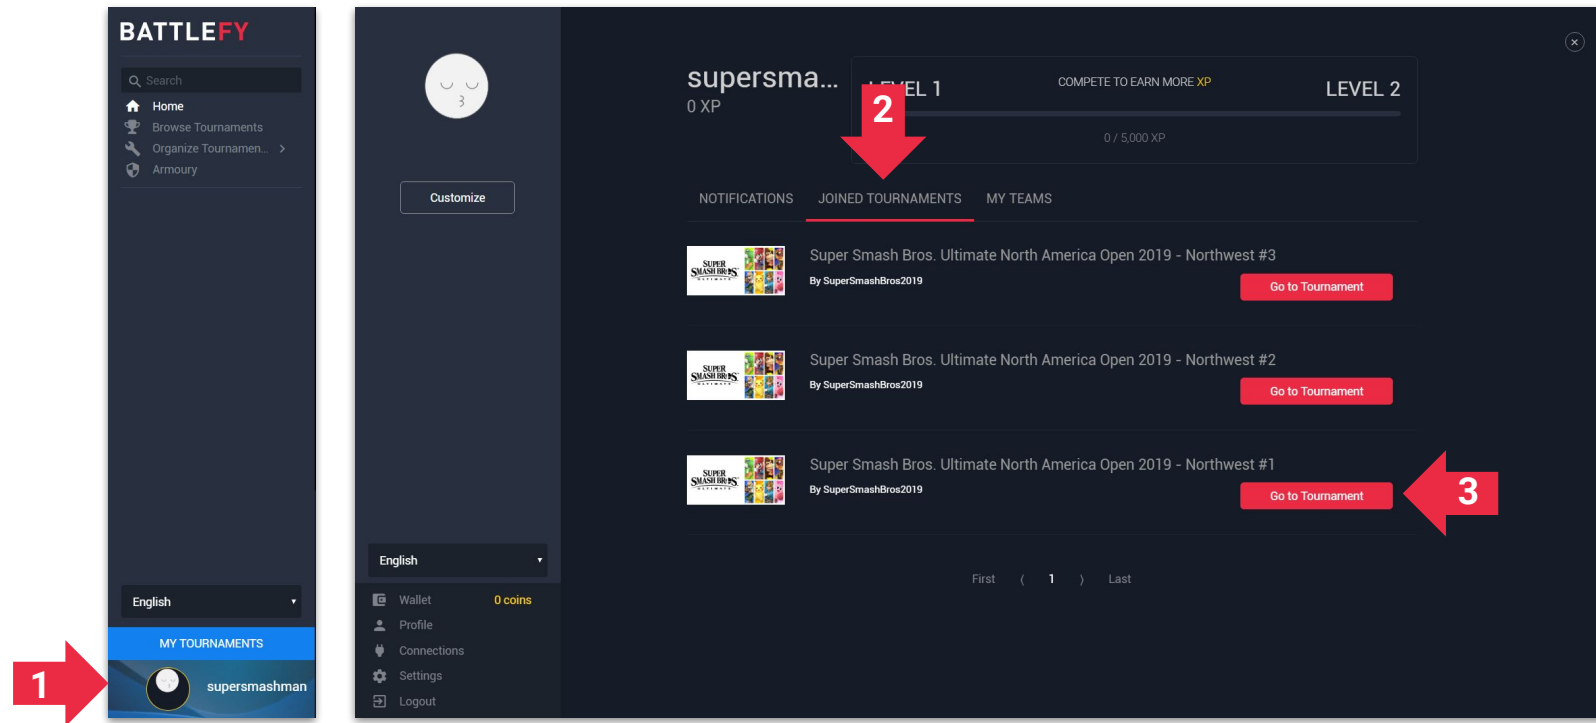

Game Day

In this section you'll be guided through the tournament experience, where we'll show you everything you need to know to play your tournament matches on Battlefy.

If you are using your mobile device to access Battlefy. You will find the sections shown on the following pages under the "Open Player Guide" button at the bottom of the tournament page.

A) Navigate to the Tournament Page

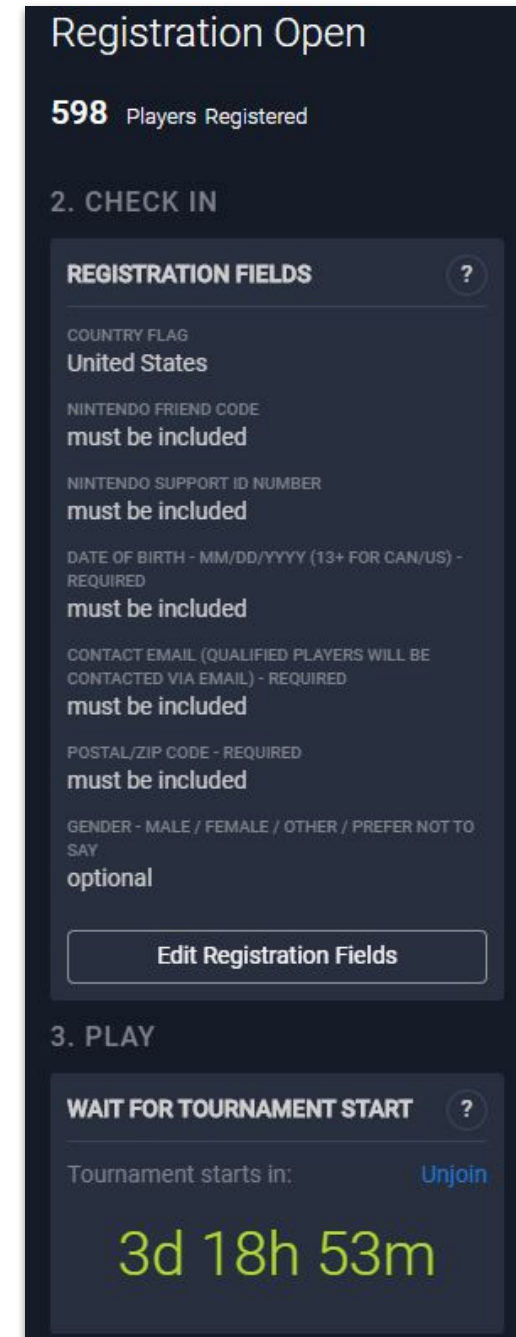

The Tournament Page is where you should be for the duration of the tournament

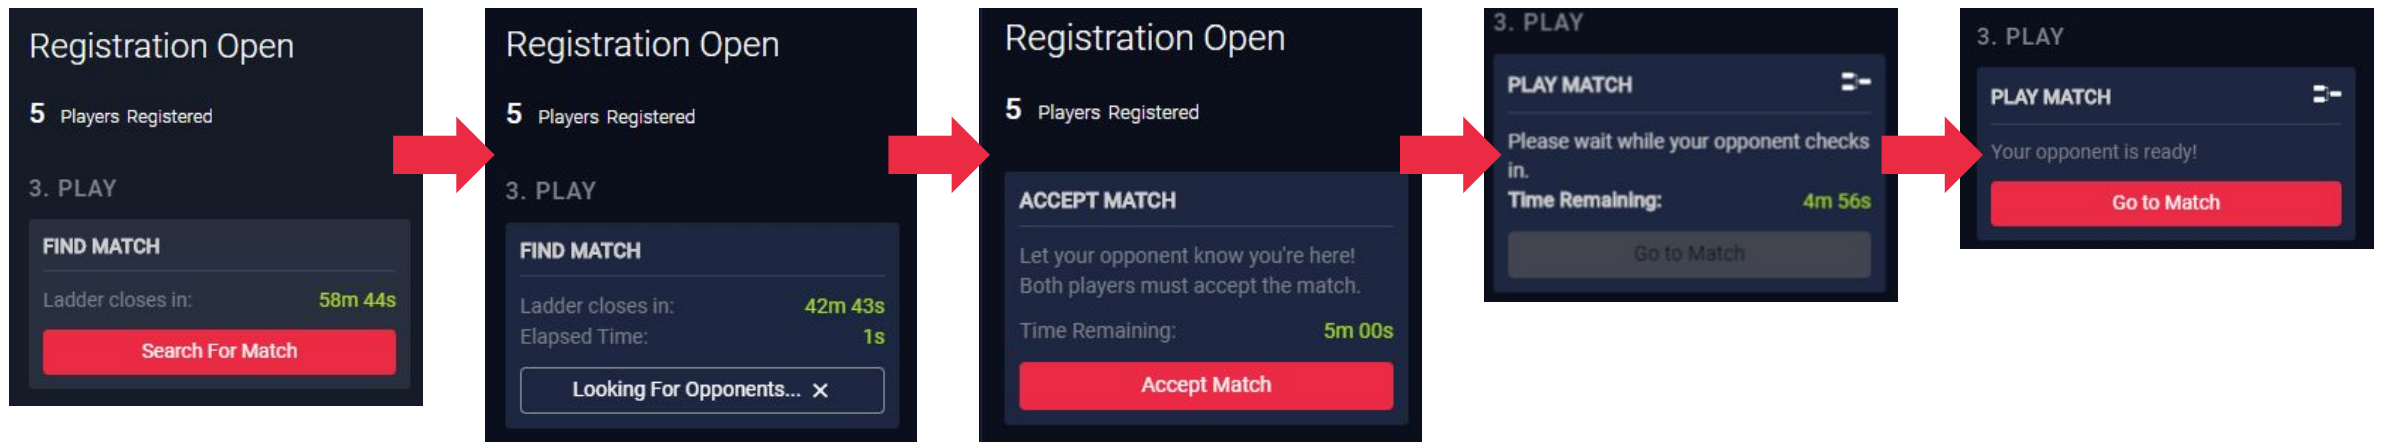

1. Select your profile located at the bottom left of your screen on Battlefy.
2. Select the Joined Tournaments tab
3. Select 'Go to Tournament'

B) Prepare for the Tournament

- You must arrive on the tournament page and verify your registration fields are correct.
- All critical tournament information will be displayed on the tournament page, so make sure to stay on it for the duration of the tournament
- Once the tournament starts, you need to press the “Search For Match” button to be paired with an opponent.

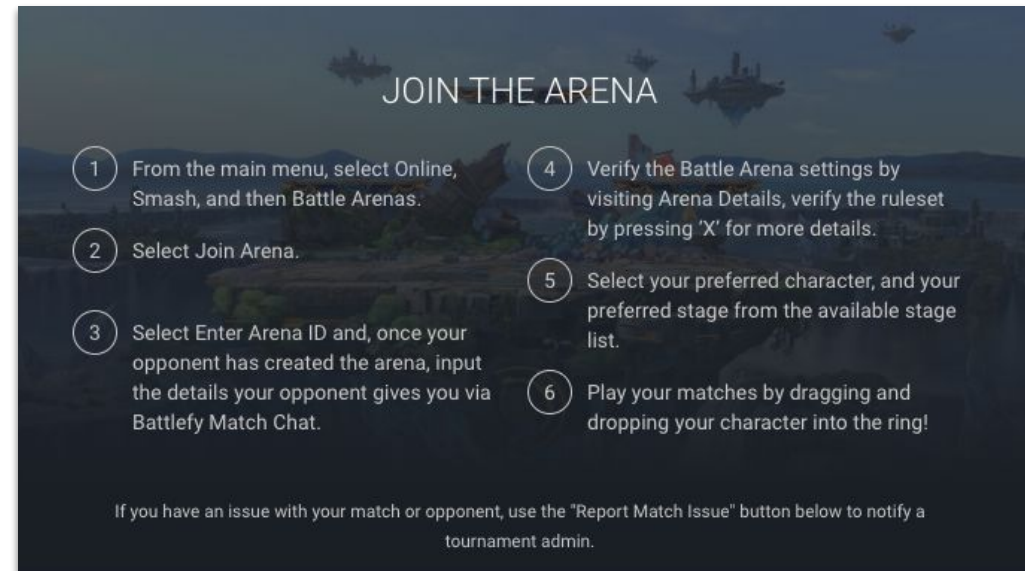

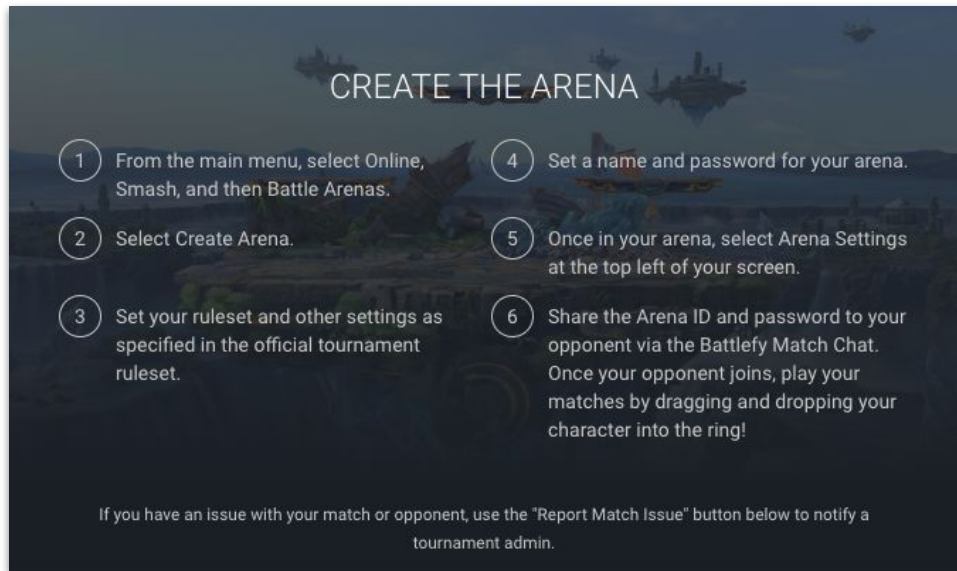

C) Search and accept your opponent

Your match page is where you should be for the duration of your match. You'll communicate with your opponent to receive or give Battle Arena information, and you'll report your score there.

D) See if you're creating or joining the Battle Arena

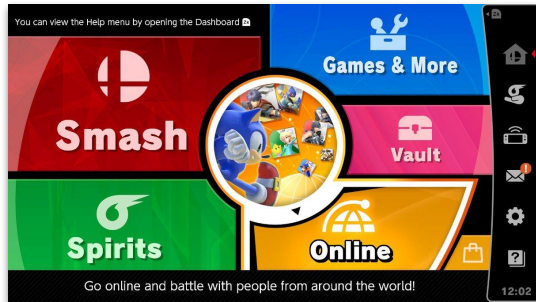

- Once you're on the match page, read the instructions to understand if you're creating the Battle Arena for the match, or if you're joining it

A decorative graphic on the left side of the slide consisting of several overlapping, semi-transparent pink geometric shapes, including triangles and polygons, creating a dynamic, abstract background element.

Creating the Battle Arena

(If you are joining the arena, go to page 30)

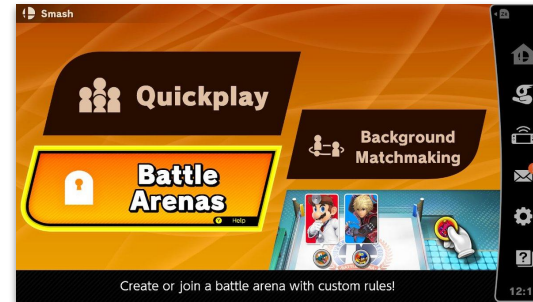

A) Creating the Battle Arena

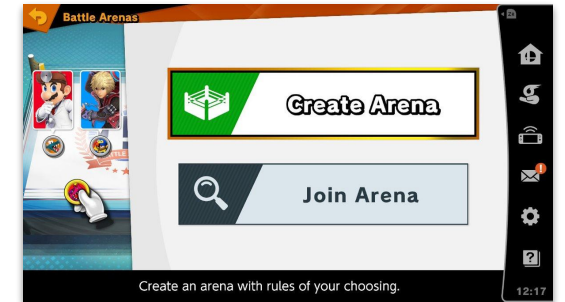

1. Select Online

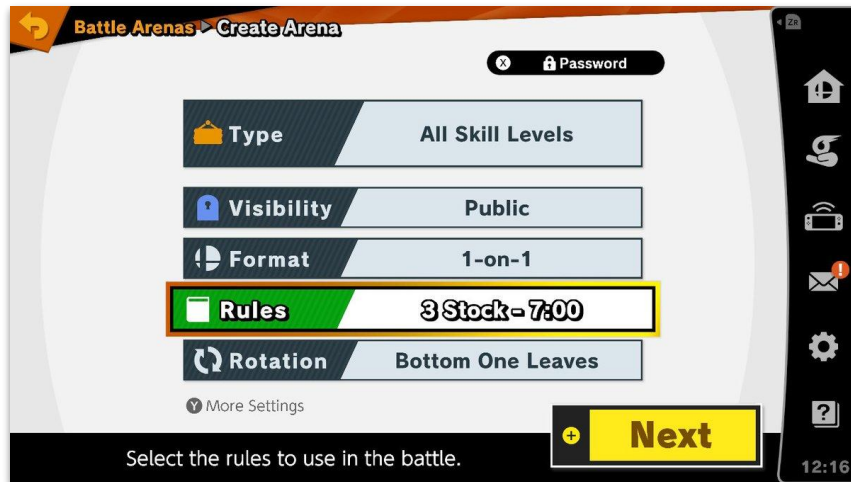

2. Select Smash

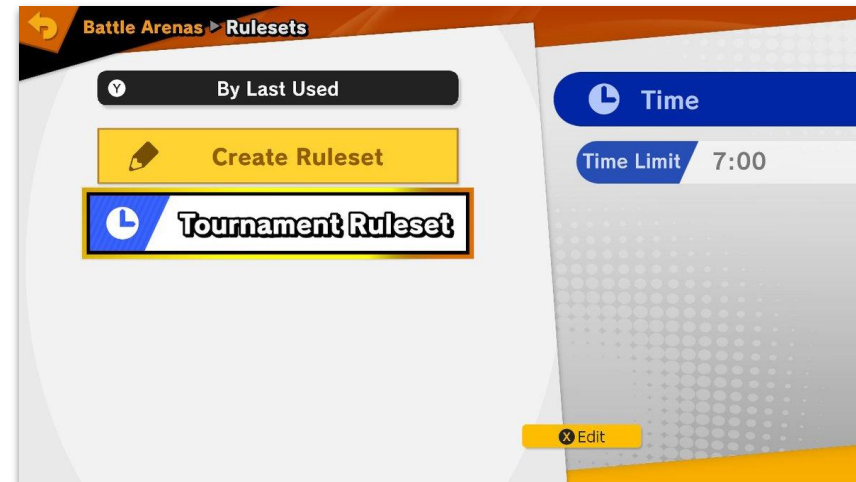

3. Select Battle Arenas

4. Select Create Arena

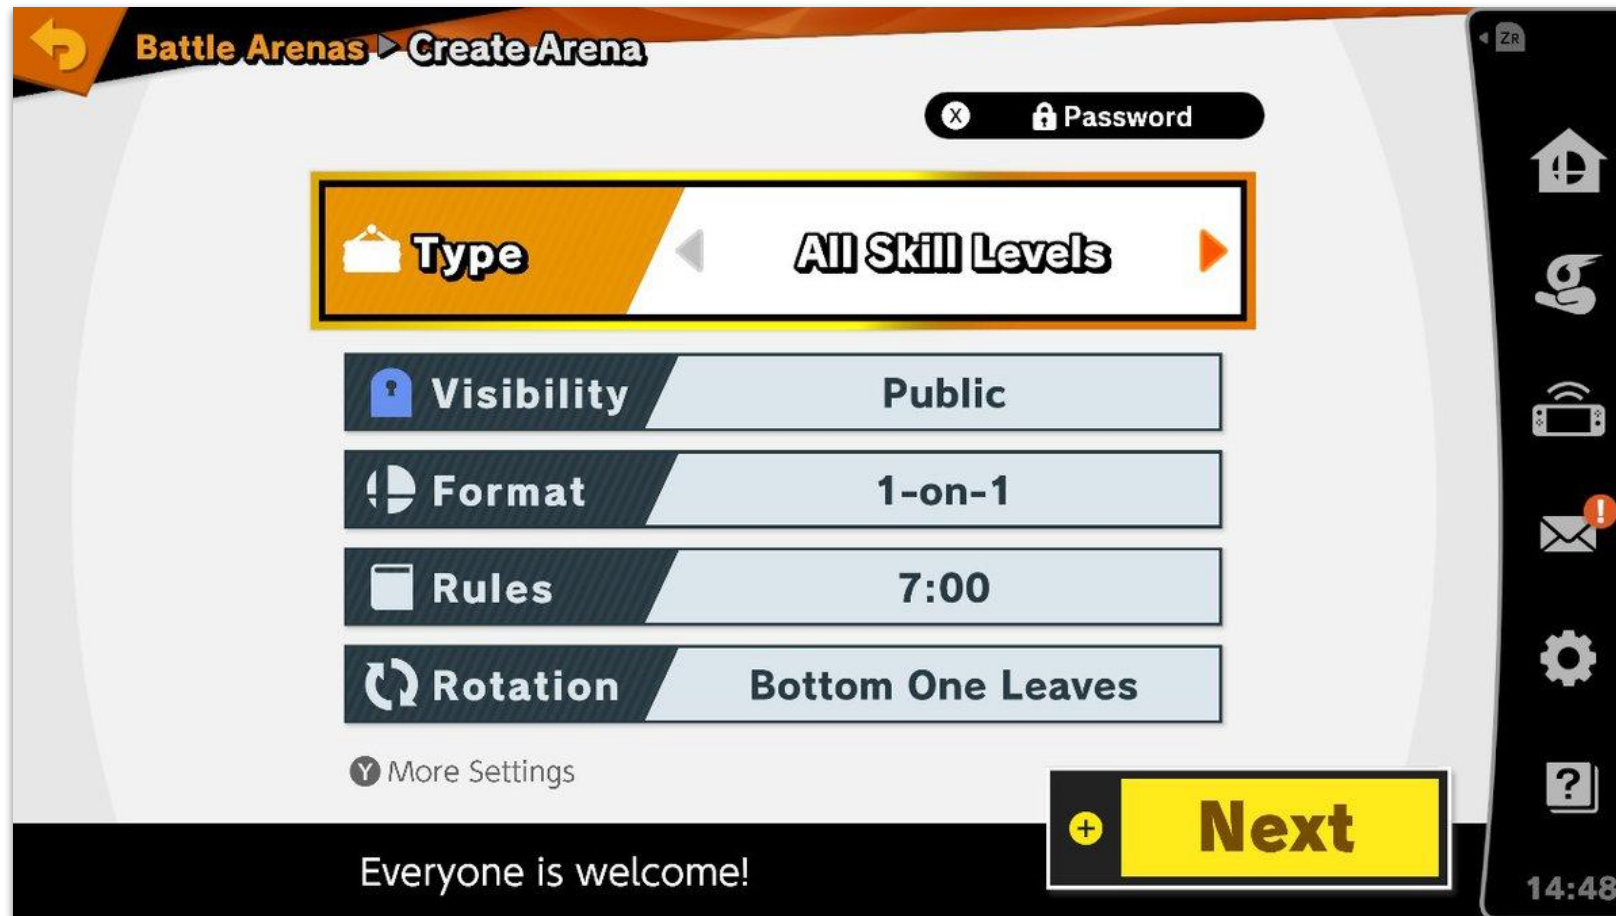

5. Select Rules to choose your Ruleset

6. Select the Ruleset you created for this tournament
(if you haven't done this, see pages 3 - 8)

B) Set Battle Arena settings

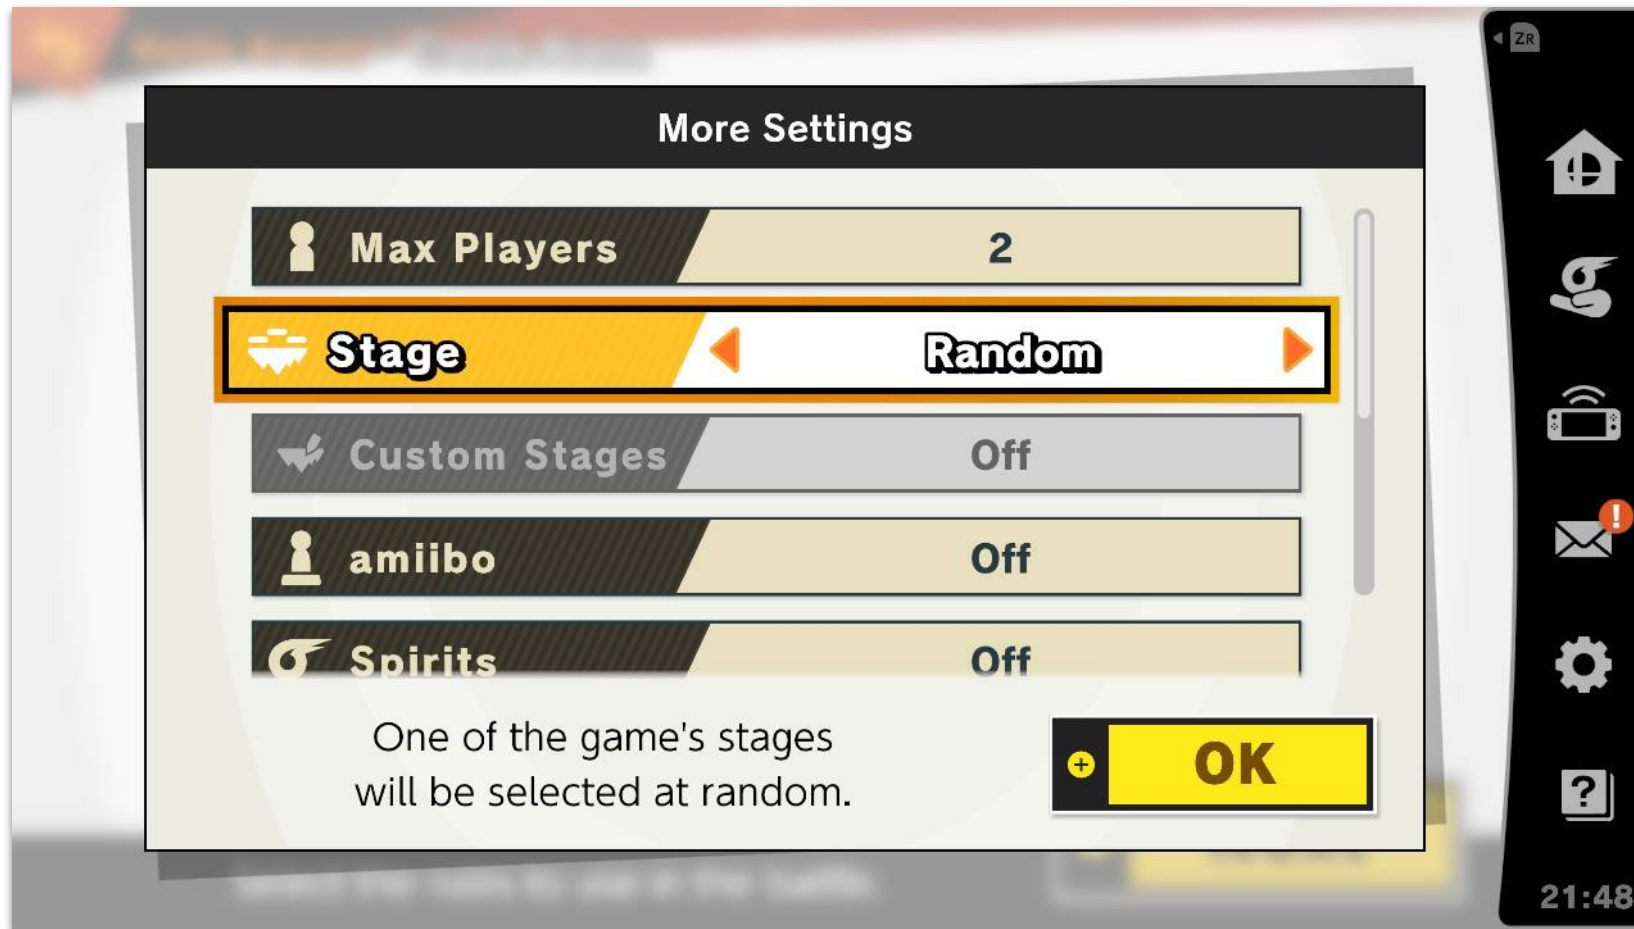

Set Battle Arena settings:

- Type: All Skill Levels
- Visibility: Public
- Format: 1-on-1
- Rotation: Bottom One Leaves
- Ensure Password is enabled by pressing 'X'

Continue to More Settings by pressing 'Y'

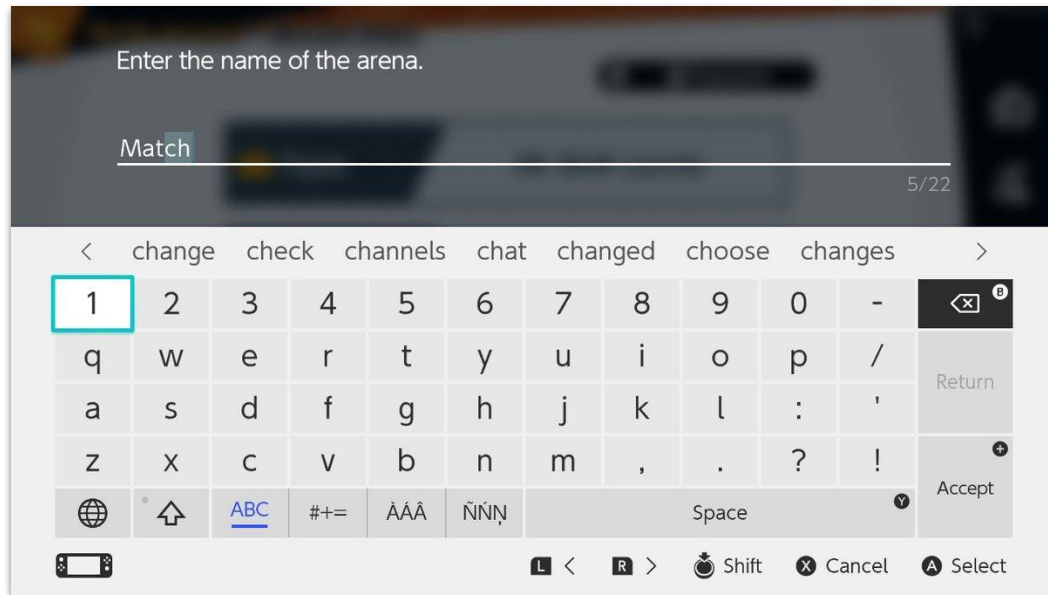

C) Set Battle Arena settings

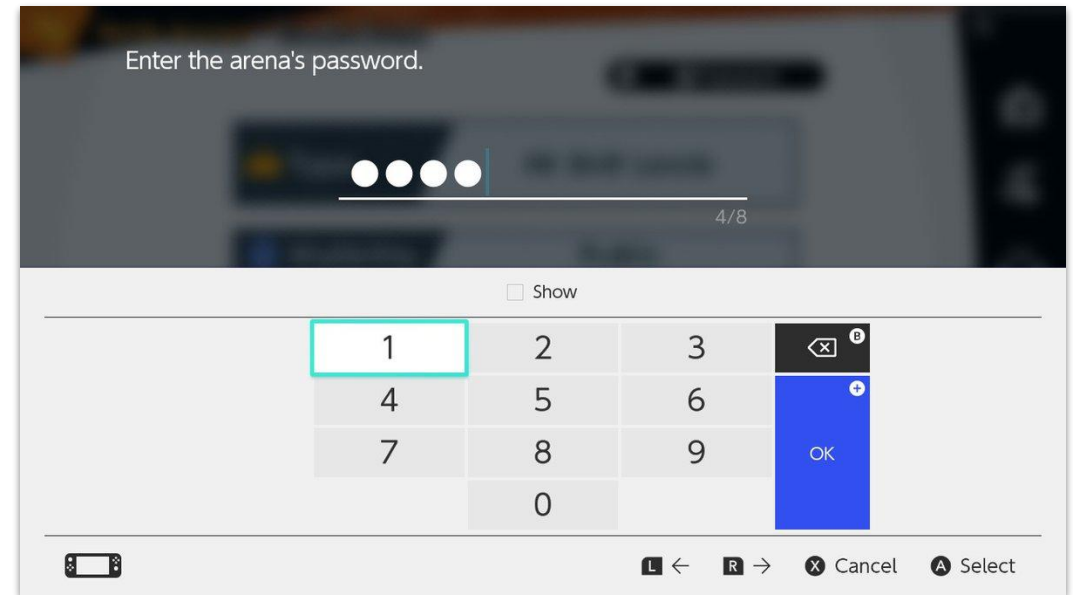

Set More Settings:

- Max Players: 2
- Stage: Random
- Spirits: Off
- Voice Chat: Off

D) Create the Battle Arena

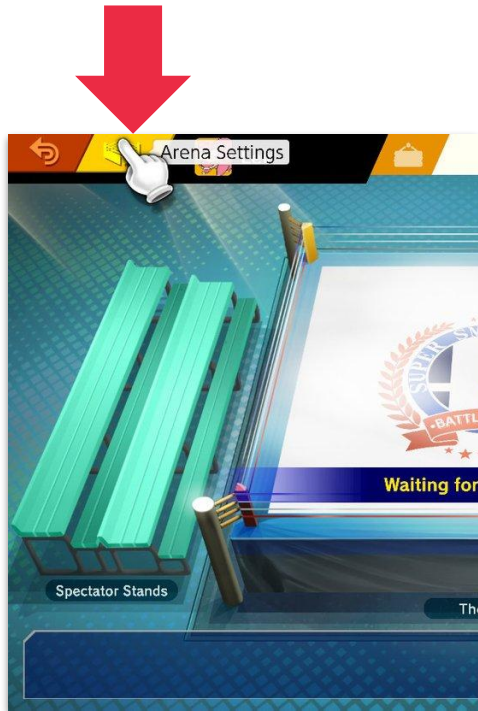

Set a name for your Battle Arena

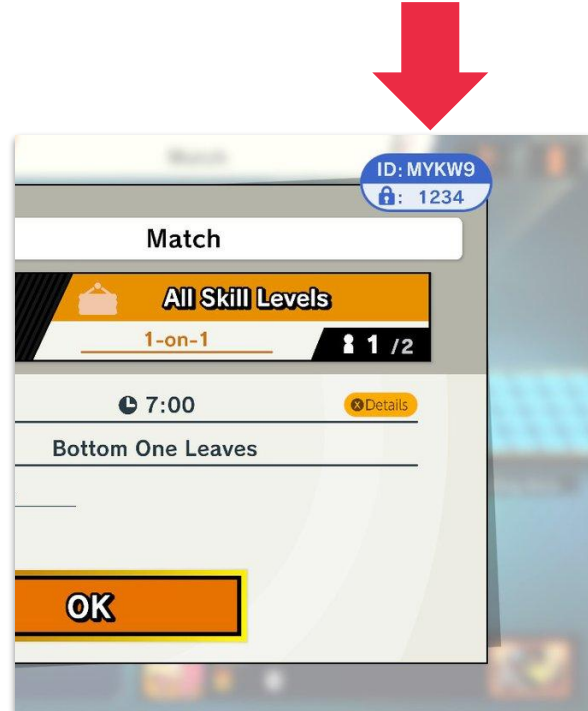

Set a password for your Battle Arena

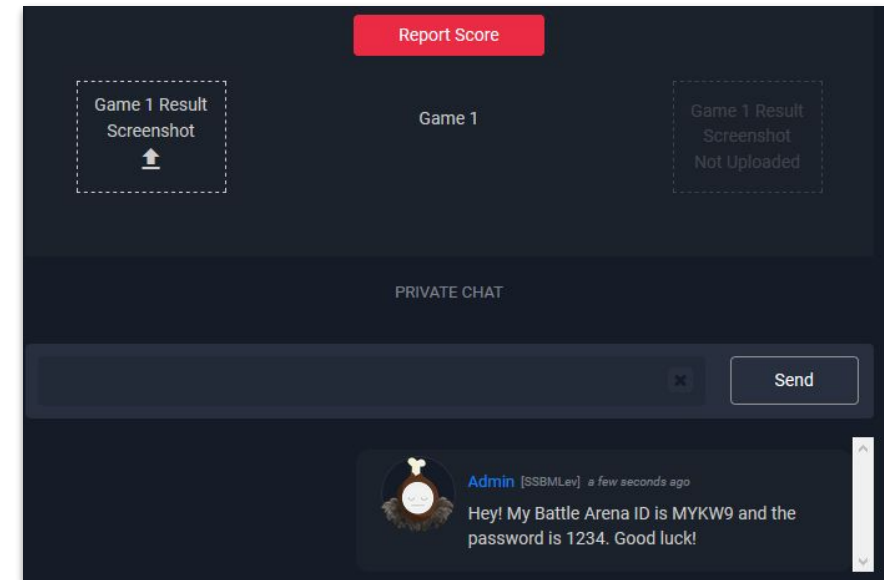

E) Share Battle Arena information with your opponent

Once in your Battle Arena, select Arena Settings to view your Battle Arena ID and password

Share the Battle Arena ID and password with your opponent via the Battlefy match chat on the Match Page

F) Select/change your fighter

Select the character portrait to change your fighter

Select and confirm your fighter

G) Get in the ring and play your match

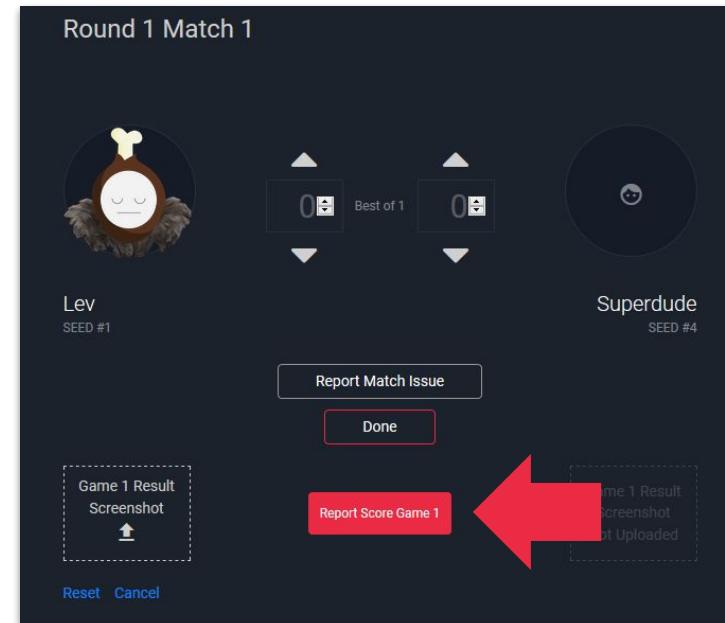

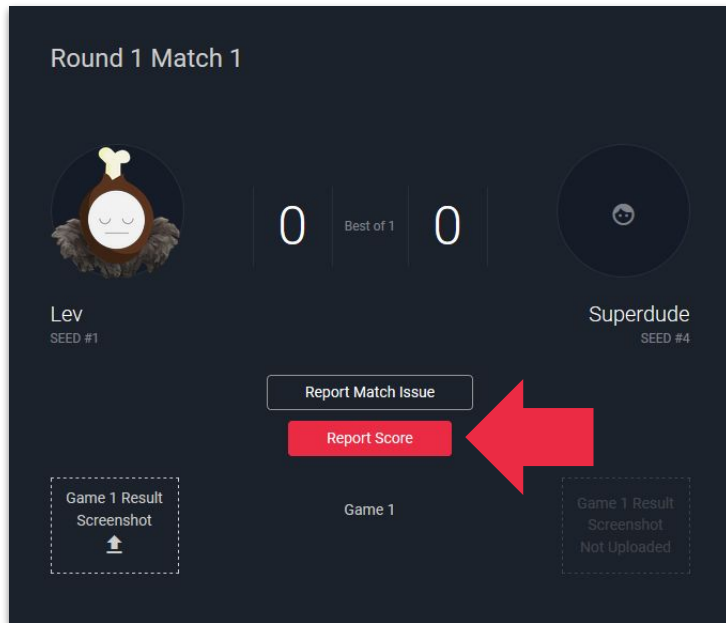

Once you're ready to play, drag yourself to the ring

It's time to play, good luck!

H) Report the winner on the Match Page

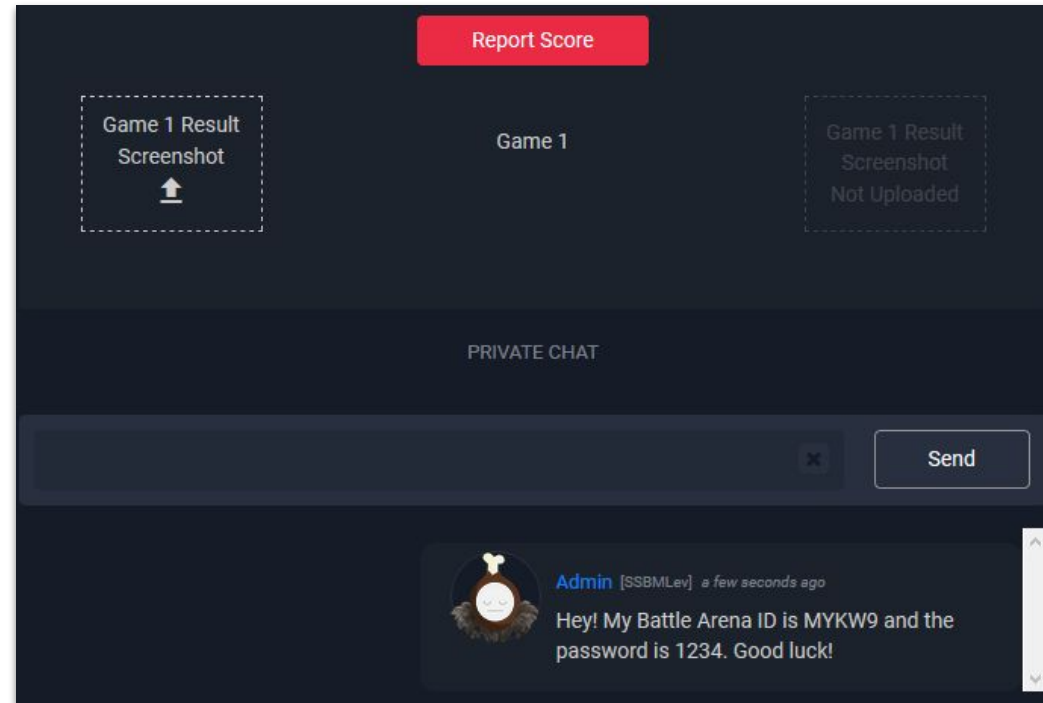

After your match is finished, go to the Battlefy Match Page and select Report Score, then select Report Score Game 1 and choose a winner

Abstract pink geometric shapes, including a large triangle and several overlapping polygons, are positioned on the left side of the slide.

Joining the Battle Arena

(If you are creating the arena, go to page 20)

A) Wait for Battle Arena information

Wait on the Battlefy Match Page until your opponent sends the Arena ID and password via the match chat

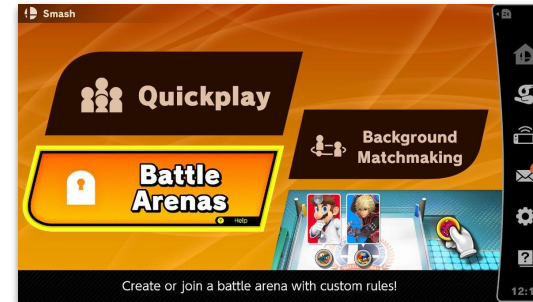

B) Joining the Battle Arena

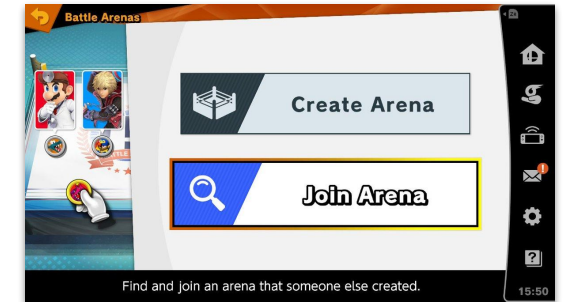

1. Select Online

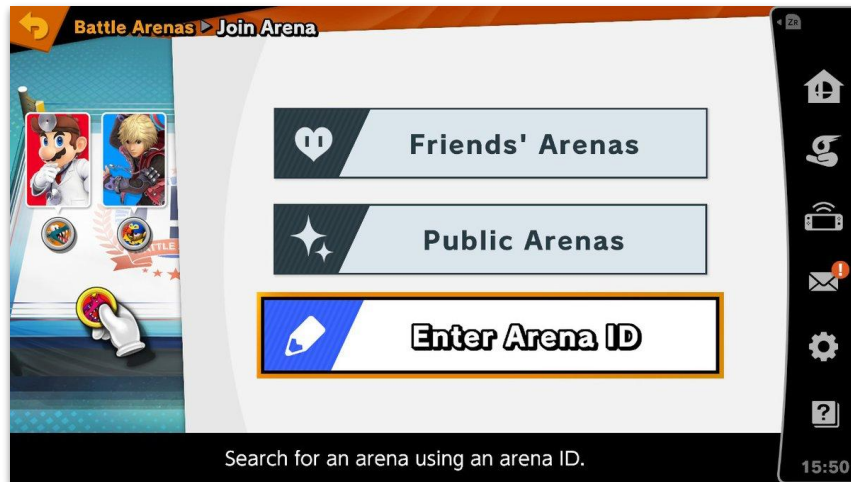

2. Select Smash

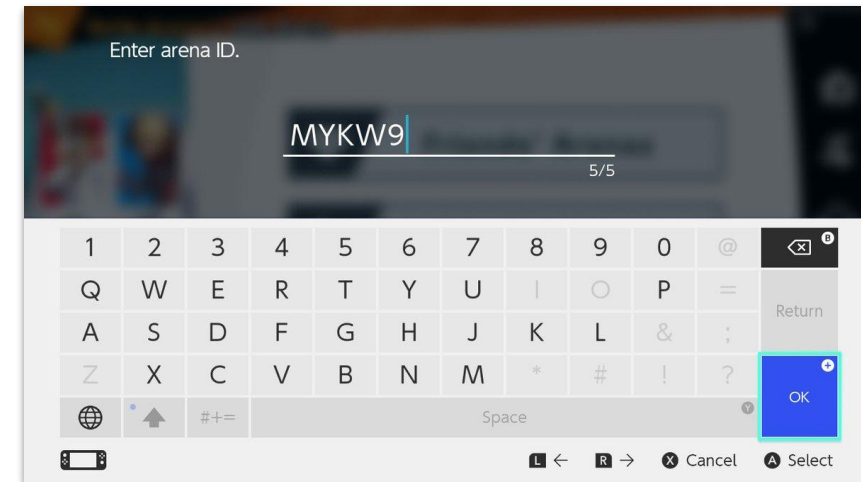

3. Select Battle Arenas

4. Select Join Arena

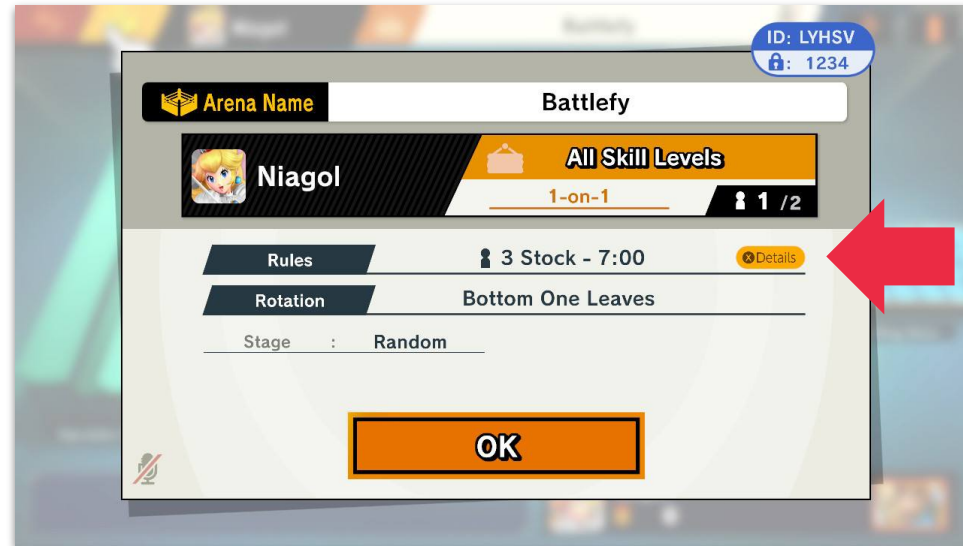

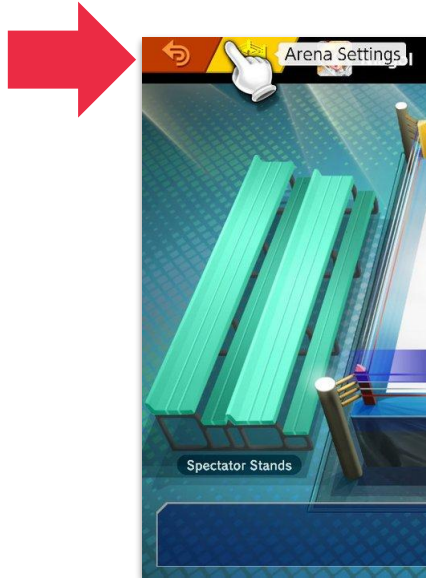

5. Select Enter Arena ID

6. Enter the Arena ID and password

C) Verify Arena Settings

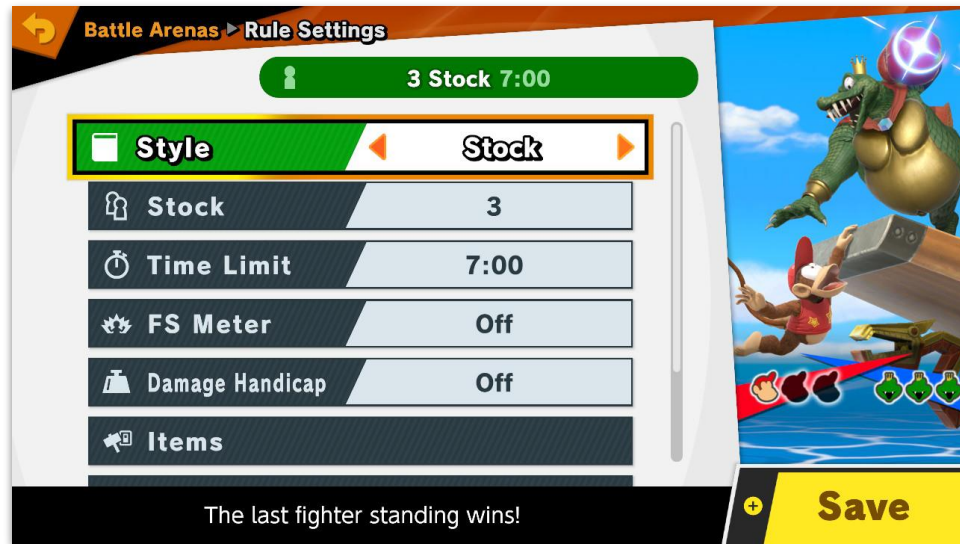

When you join the Battle Arena, select Arena Settings, first ensure that:

- Rules: 7:00
- Stock: 3
- Stage: Random

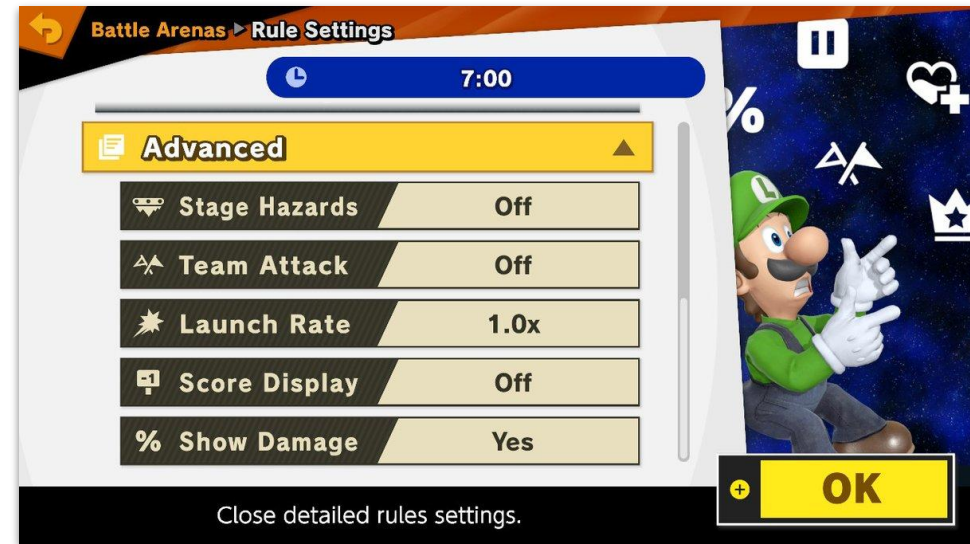

Then, press 'X' to check the ruleset

C) Verify Arena Settings

Ensure that:

- Style: Stock
- Stock: 3
- Time Limit: 7:00
- FS Meter: Off
- Damage Handicap: Off
- Items are set according to the official rules

Then select Advanced and ensure:

- Stage Hazards: Off
- Team Attack: Off
- Launch Rate: 1.0x
- Score Display: Off
- Show Damage: Yes

E) Select/change your fighter

Select the character portrait to change your fighter

Select and confirm your fighter

F) Get in the ring and play your match

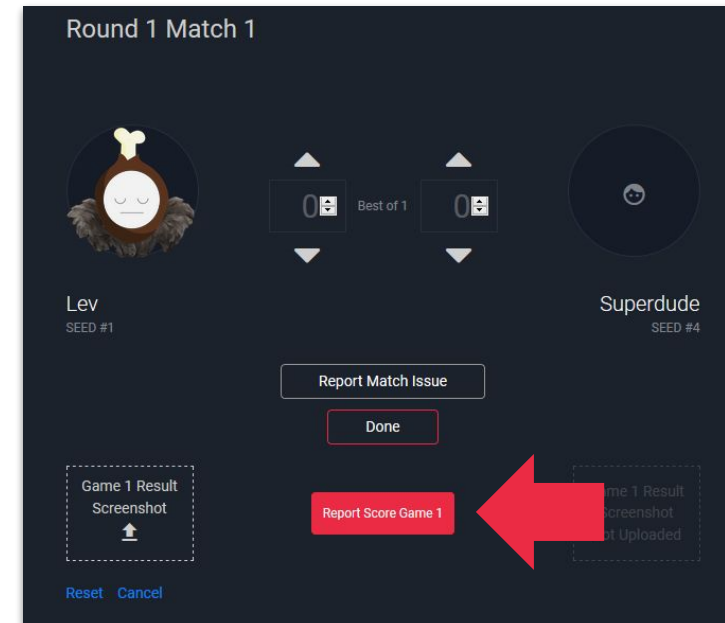

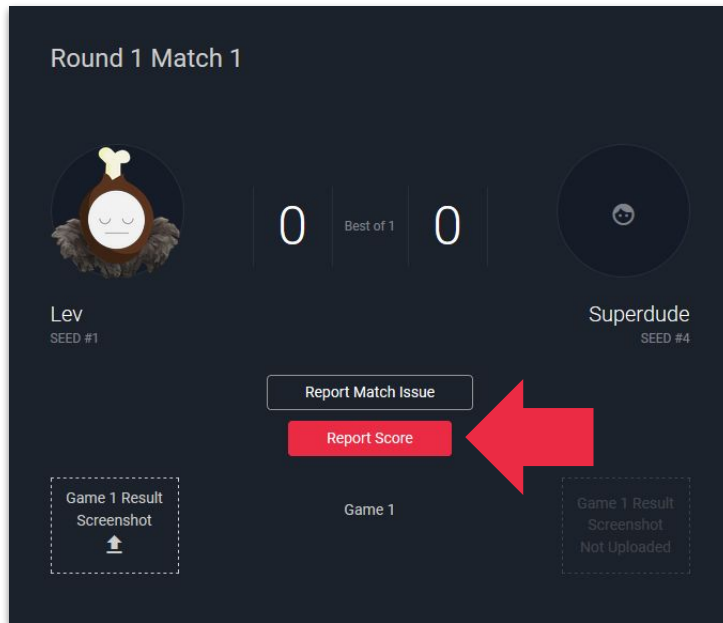

Once you're ready to play, drag yourself to the ring

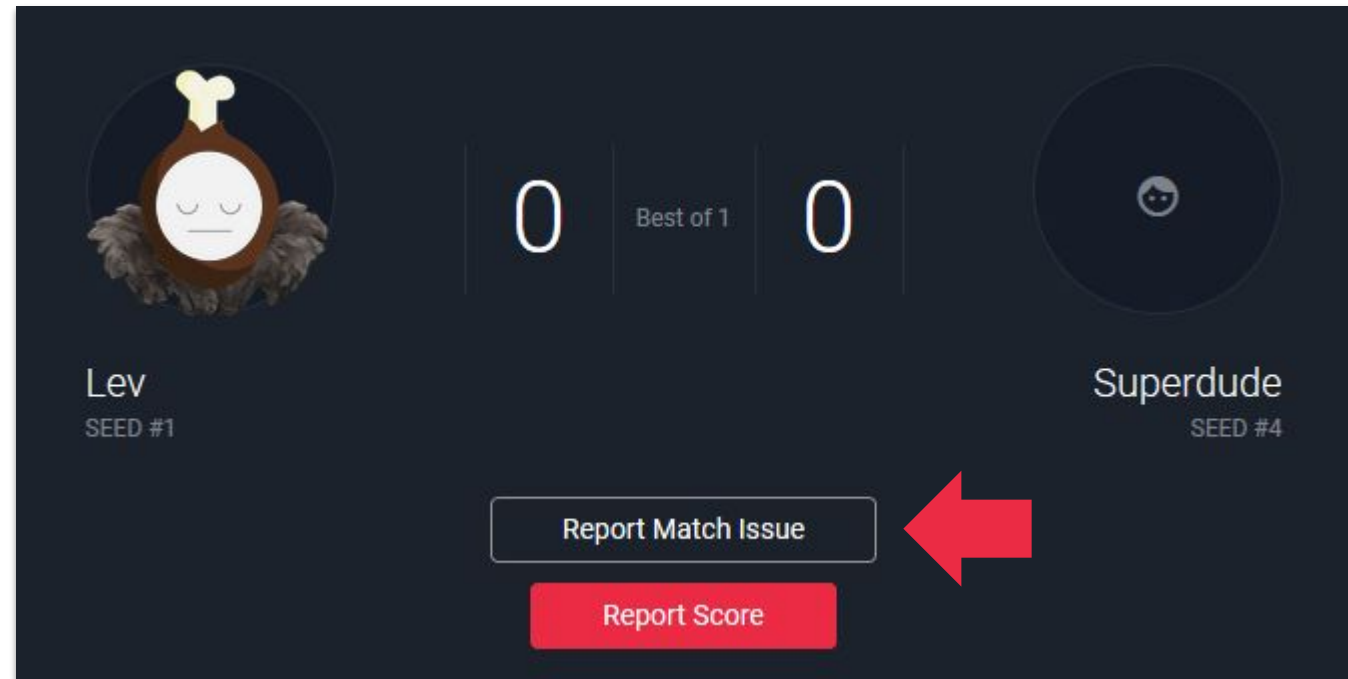

It's time to play, good luck!

G) Report the winner on the Match Page

After your match is finished, go to the Battlefy Match Page and select Report Score, then select Report Score Game 1 and choose a winner

If you have a problem with your match

- If for whatever reason you have a problem with your match, select Report Match Issue on the Match Page to notify admins
- Communicate with admins via the match chat on the Match Page

If you have any questions related to the tournament, but not about a specific match, make sure to ask them in this official support channel. You'll also receive updates to the tournament in this channel.

BATTLEFY

Player Guide

Super Smash Bros.

Guía del Jugador

Esta guía del jugador te ayudará a prepararte para participar en el evento de Super Smash Bros. Ultimate. Para las reglas oficiales, por favor entra a la página oficial del torneo.

Preparación

En esta sección serás guiado por el proceso de configurar el Ruleset, para poder seleccionarlo rápidamente al momento de crear un Battle Arena para una partida

Crea y Guarda las Reglas del Juego

- Puedes crear Reglas de Juego antes del torneo y rápidamente entrar a la partida cuando ya tengas tu oponente de primera ronda
- La página siguiente te mostrará la configuración que debes seguir para respetar las reglas del torneo

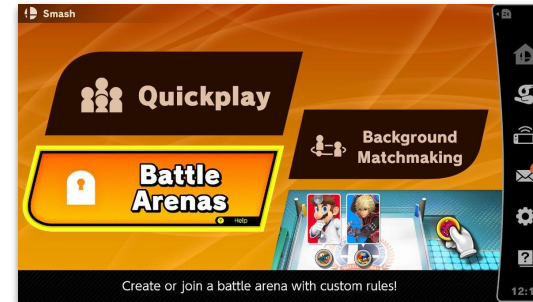

A) Navega para crear tus reglas

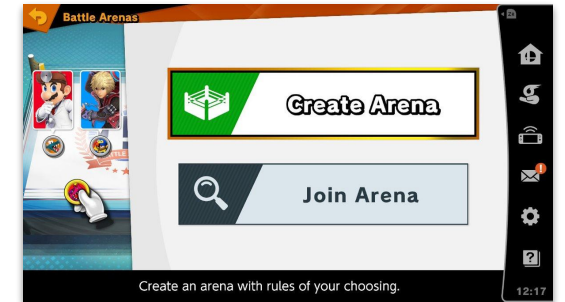

1. Selecciona Online

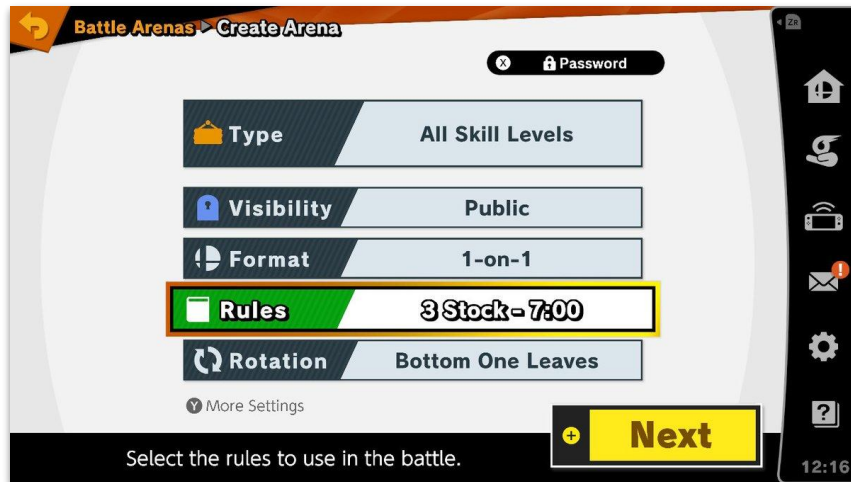

2. Selecciona Smash

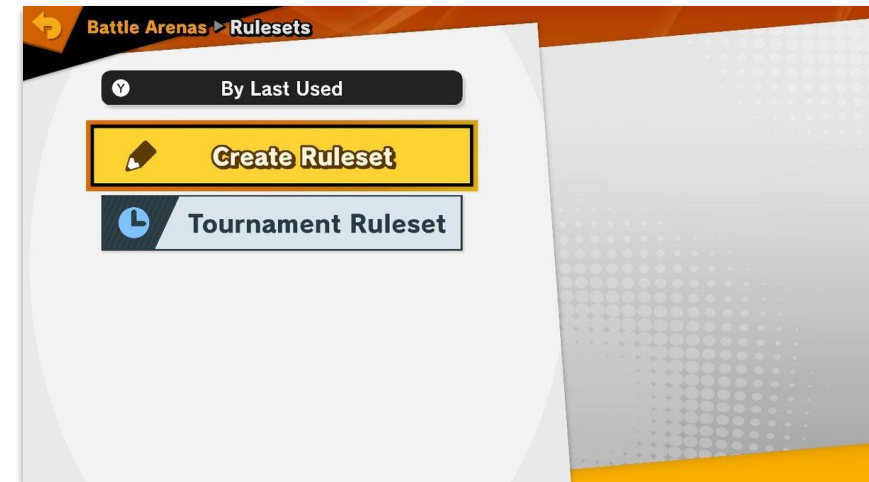

3. Selecciona Battle Arenas

4. Selecciona Create Arena

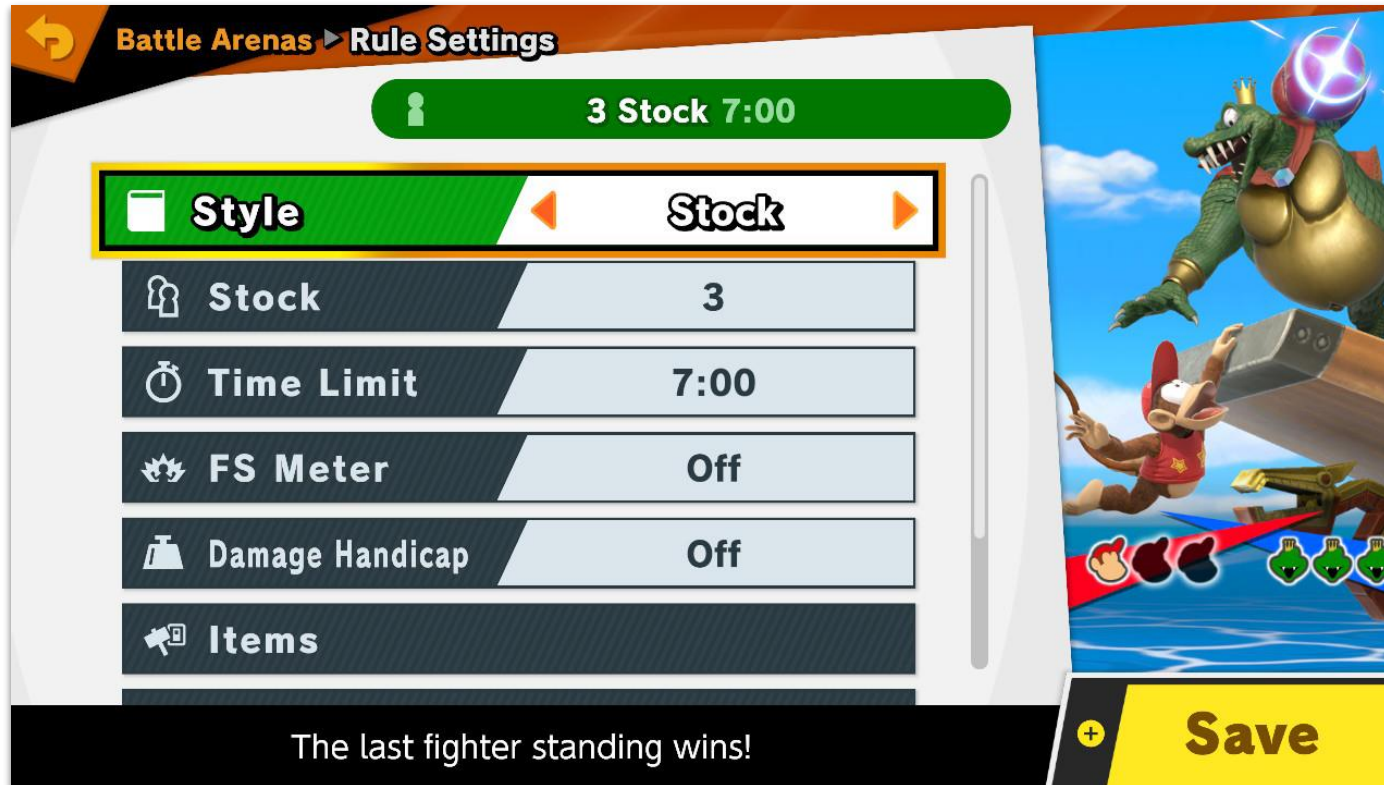

5. Selecciona Rules para navegar a tus reglas

6. Selecciona Create Ruleset

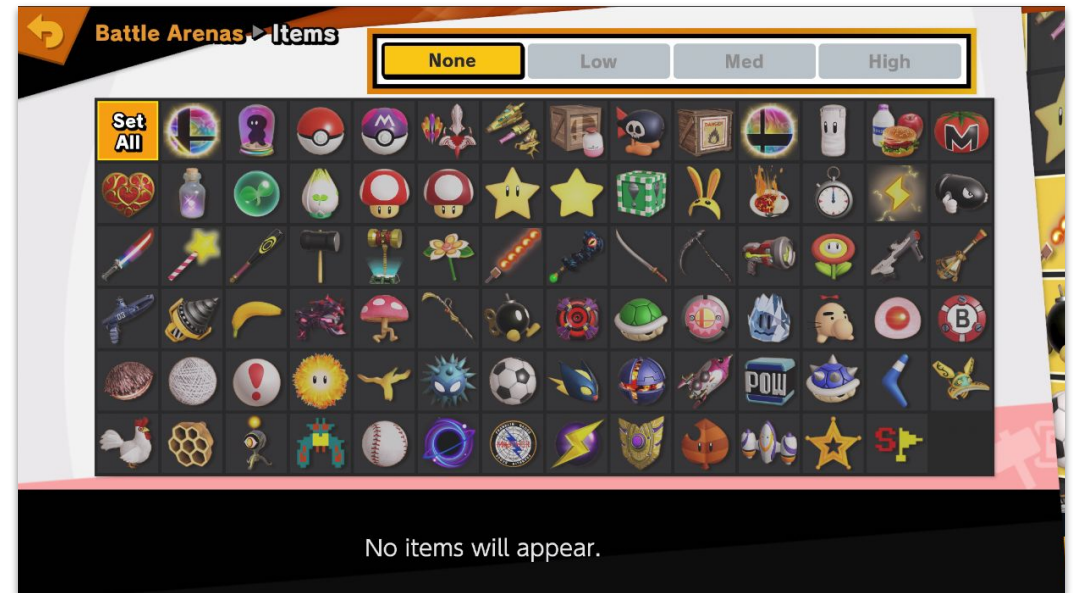

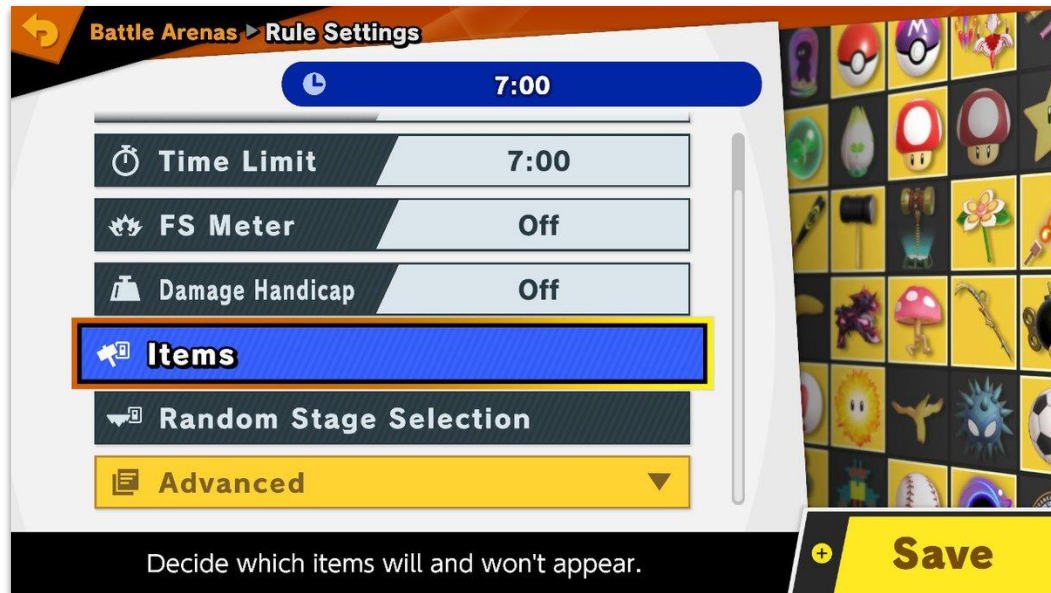

B) Establece tu configuración con las reglas oficiales

1. Selecciona la siguiente configuración:

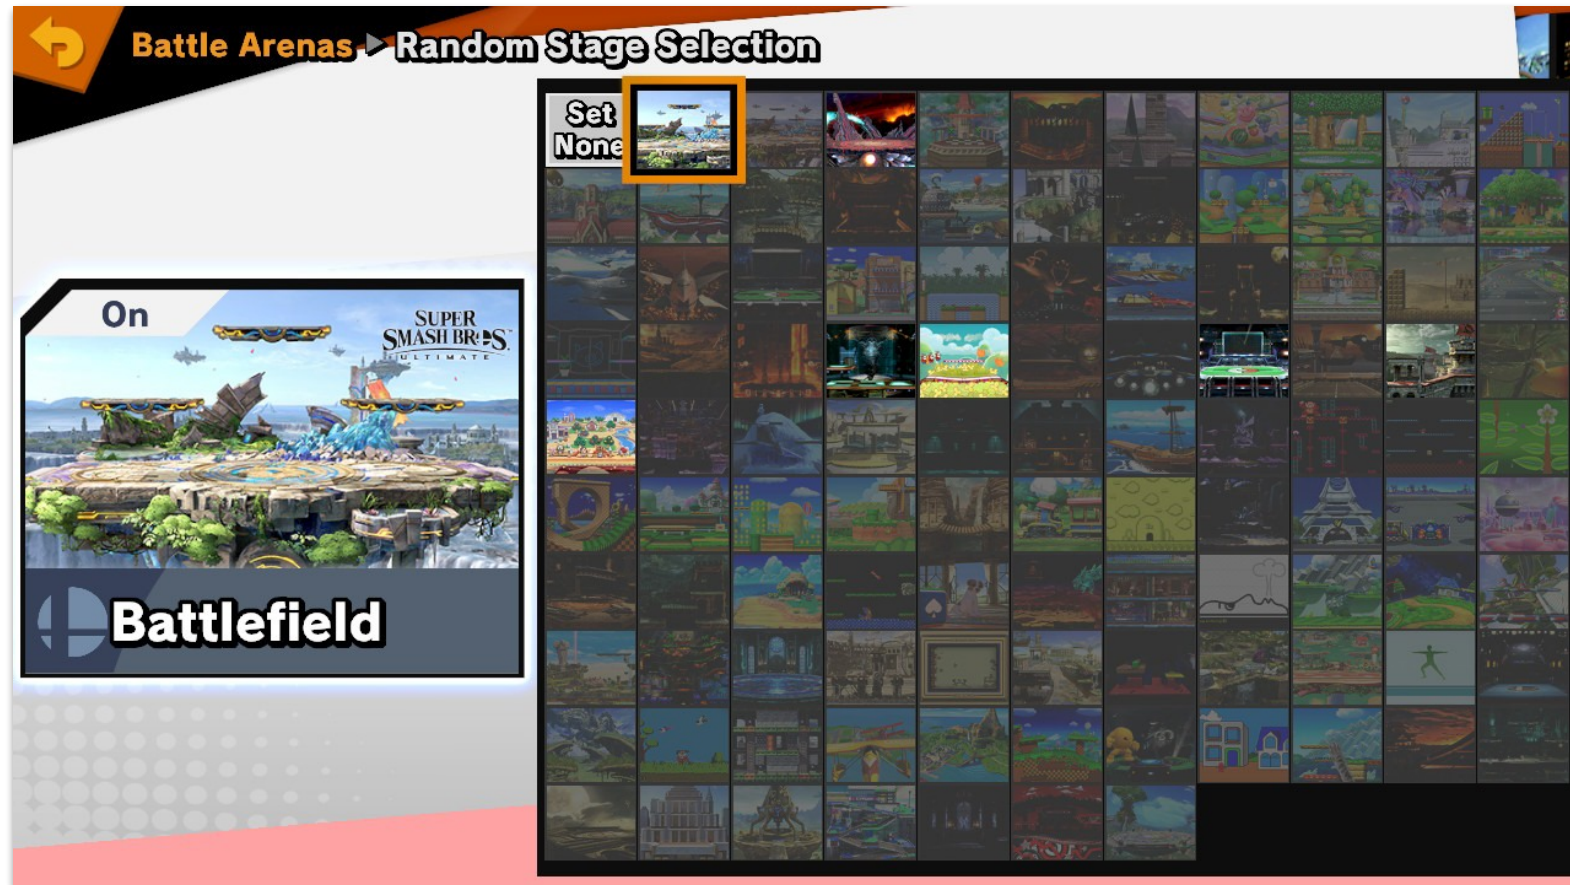

- Style: Stock
- Stock: 3
- Time Limit: 7:00
- FS Meter: Off
- Damage Handicap: Off

C) Establecer Items (objetos)

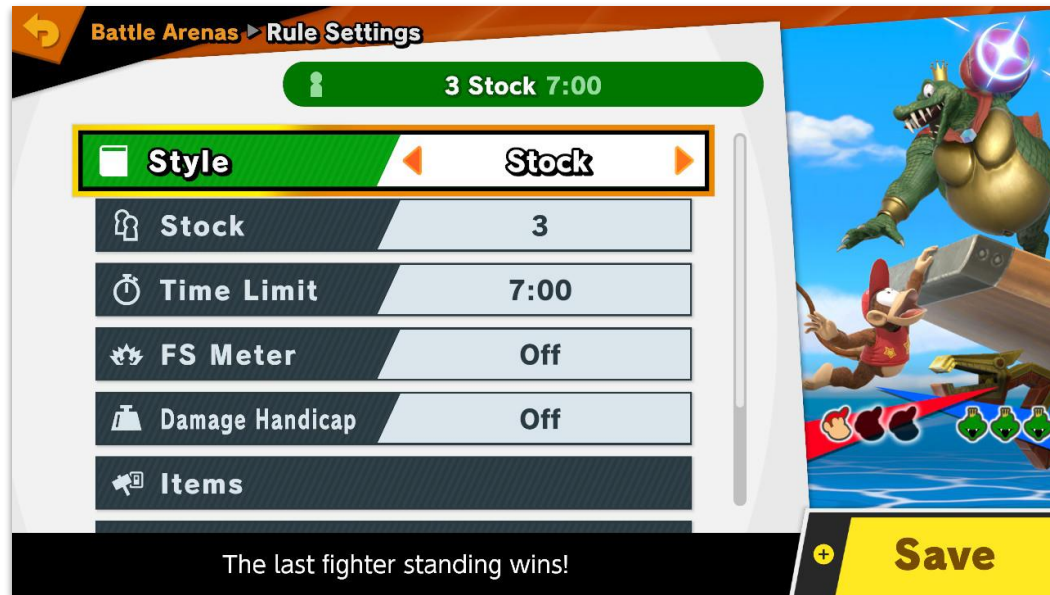

Selecciona los objetos/items permitidos como está descrito en las reglas oficiales

D) Establecer etapas permitidas

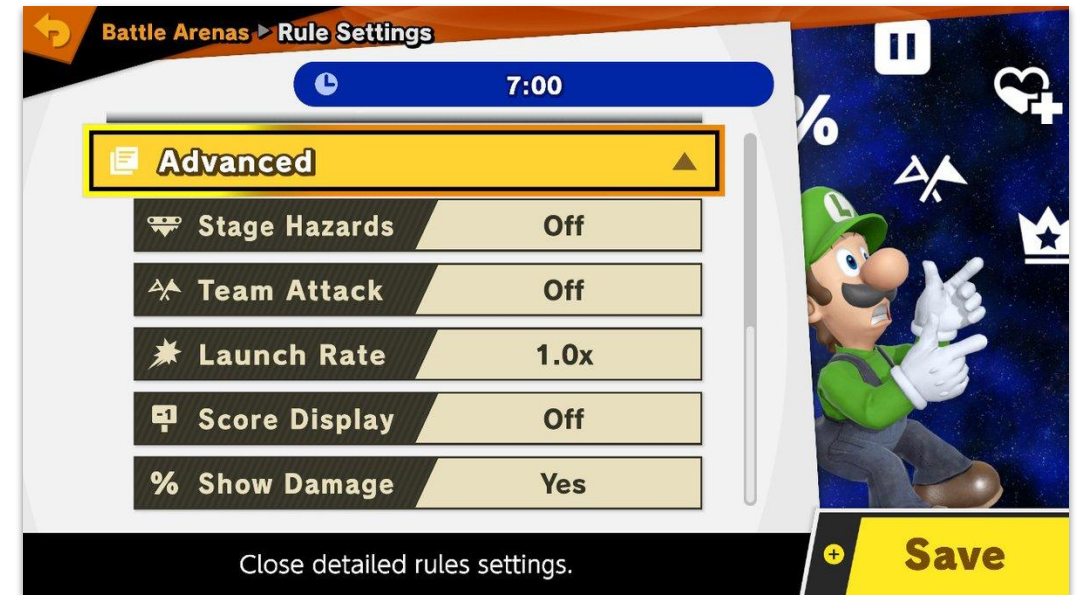

Seleccione Etapas y configúrelas como se indica en las reglas oficiales.

E) Establece la Configuración Avanzada (Advanced)

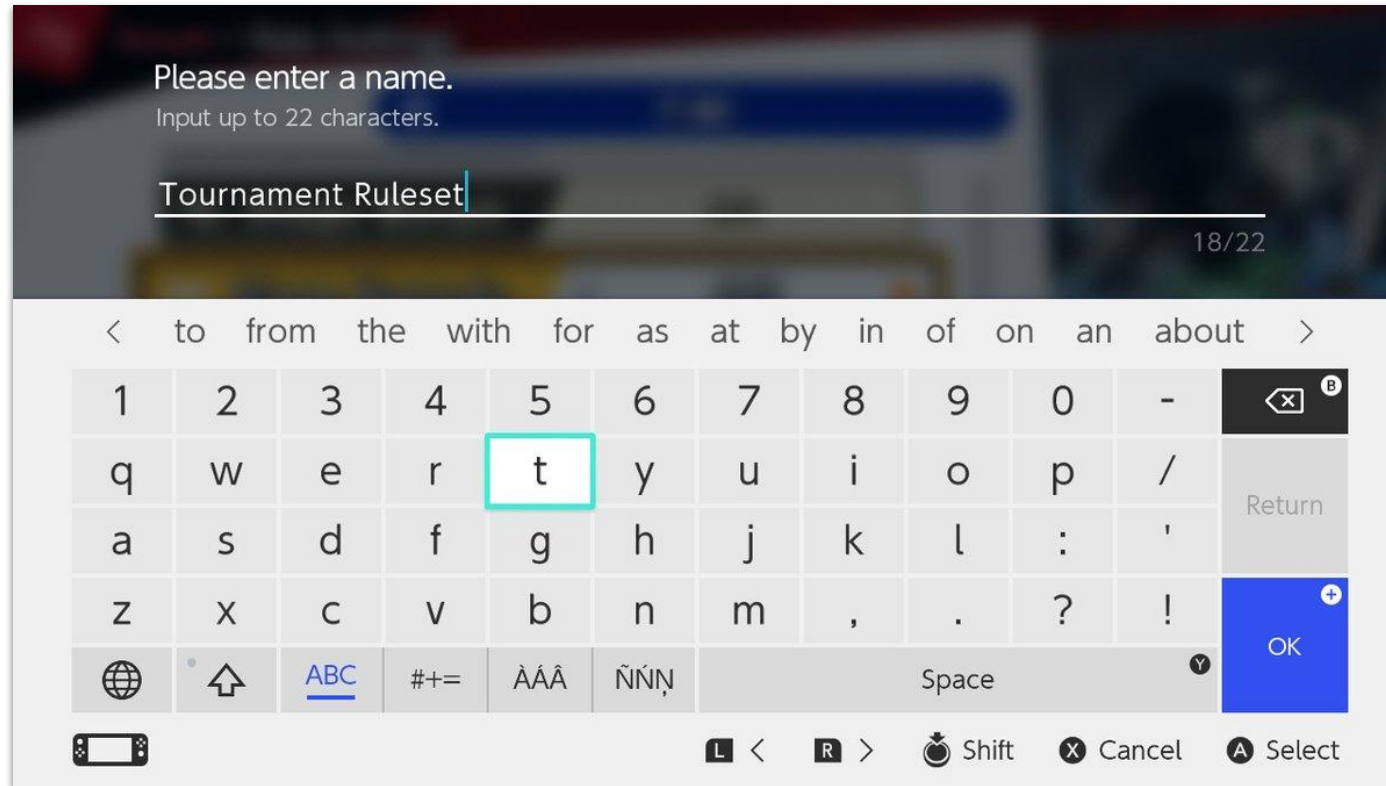

Selecciona Advanced y asegurate que toda la configuración es correcta:

- Stage Hazards: Off
- Team Attack: Off
- Launch Rate: 1.0x
- Score Display: Off
- Show Damage: Yes

F) Guarda tus reglas (Ruleset)

Guarda tus reglas con un nombre fácil de reconocer. Cada vez que necesites crear una Battle Arena para una partida podrás seleccionar estas reglas

<https://discord.gg/cvc3byJ>

Si tienes preguntas relacionadas con el torneo asegurate de preguntarlas en el canal de soporte oficial del torneo. ¡Los administradores te podrán ayudar ahí!

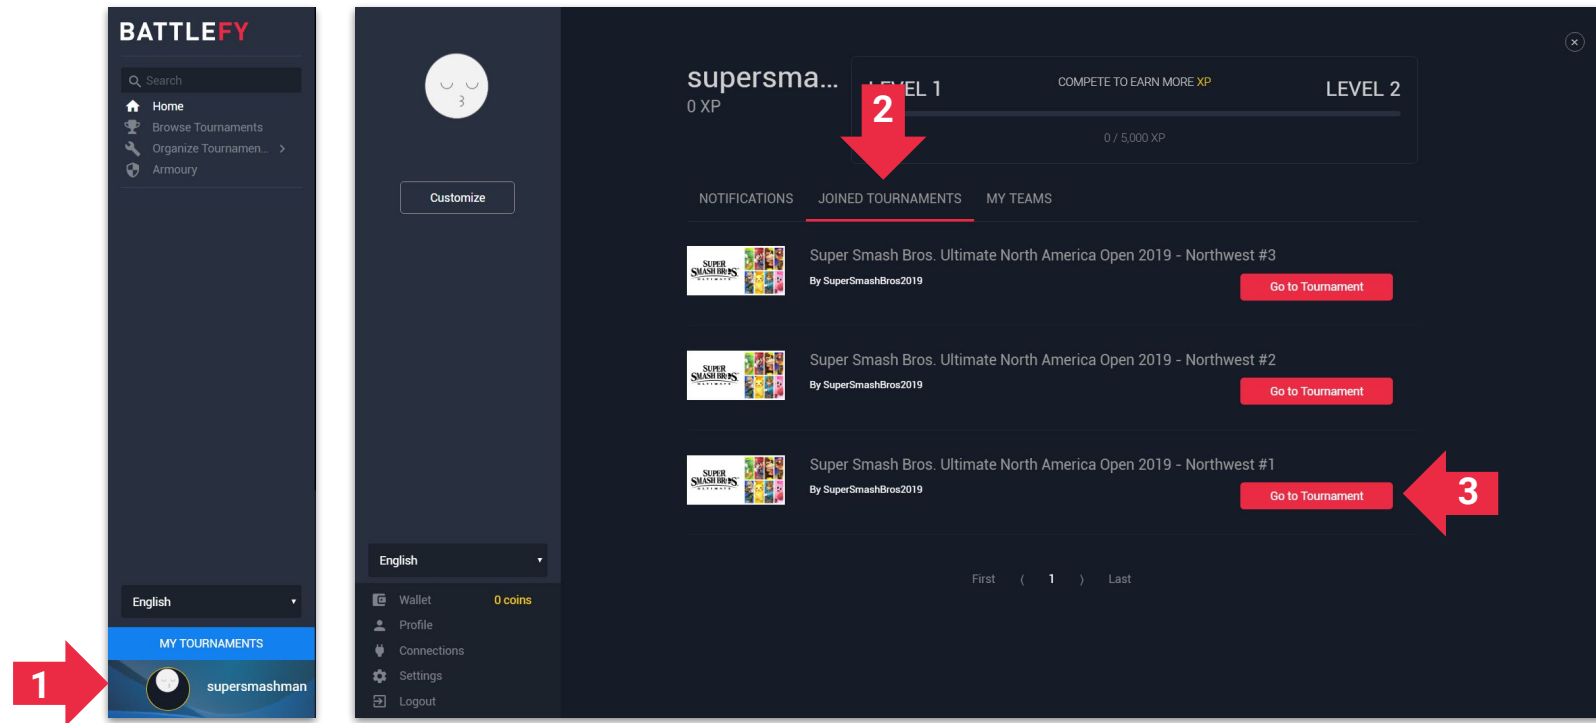

Día de Juego

En esta sección serás guiado por el proceso de la experiencia de torneo, donde te mostraremos todo lo que debes saber para jugar las partidas del torneo en Battlefy.

Si está utilizando su dispositivo móvil para acceder a Battlefy encontrará las secciones que se muestran en las siguientes páginas debajo del botón "Abrir la Guía del jugador" en la parte inferior de la página del torneo.

A) Navega a la página del torneo

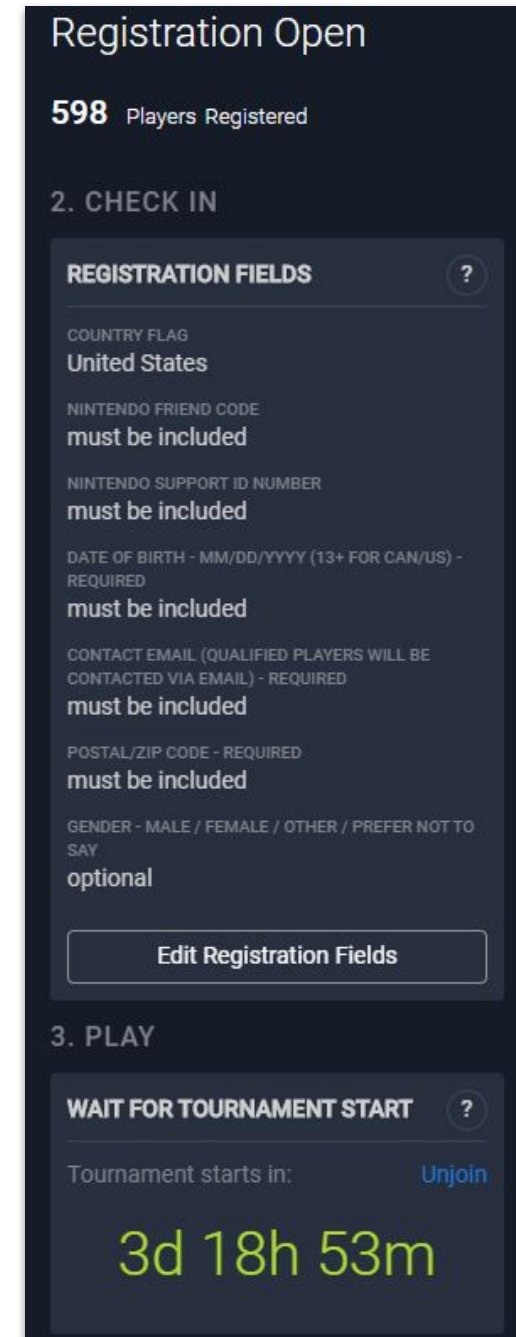

La página del torneo es donde debes estar por la duración de este

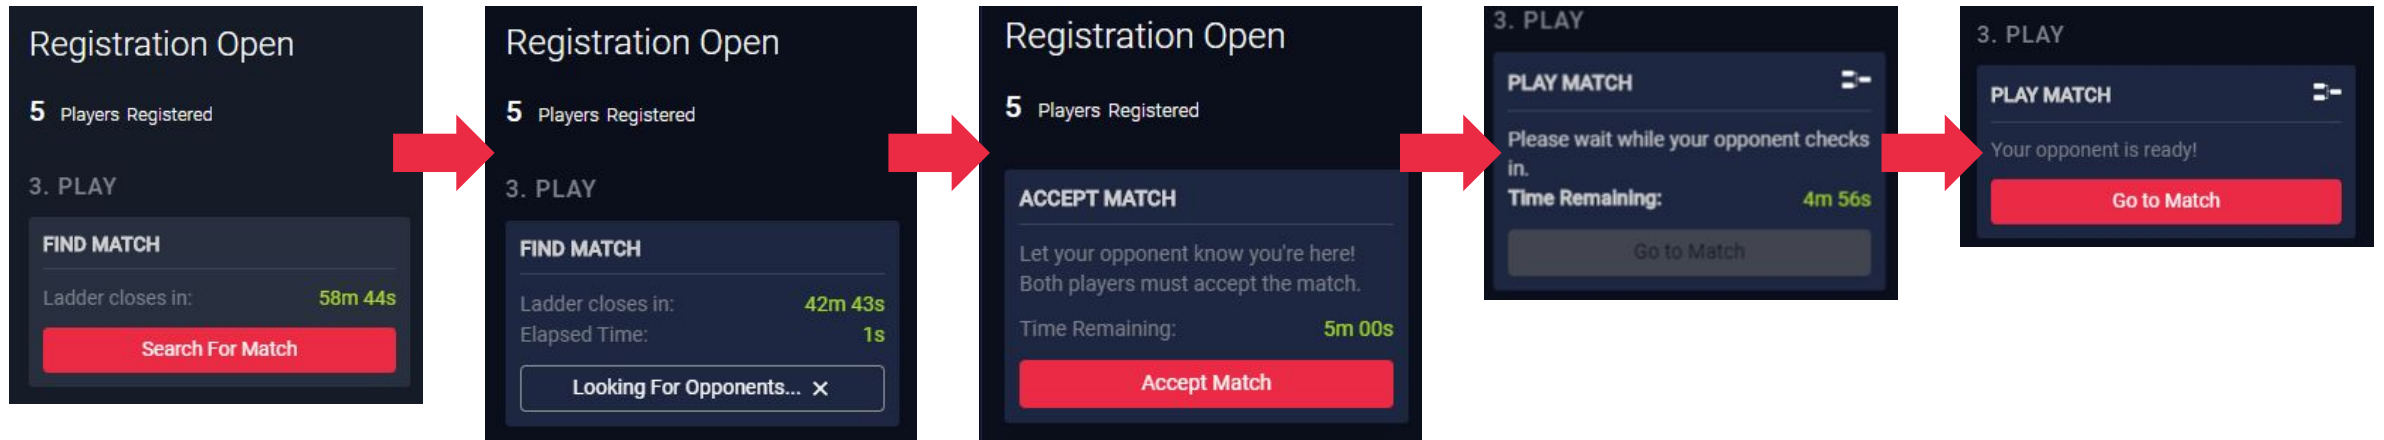

1. Selecciona tu perfil, este se encuentra en la esquina inferior izquierda de tu pantalla en Battlefy
2. Selecciona la pestaña Joined Tournaments
3. Selecciona 'Go to Tournament'

B) Prepárate para el torneo

- Debes llegar a la página del torneo y verificar que tus campos de registro sean correctos.
- Toda la información crítica del torneo se mostrará en la página del torneo, así que asegúrate de permanecer allí durante todo el torneo.
- Una vez que comienza el torneo, debes presionar el botón "Buscar partido" para ser asignado un oponente.

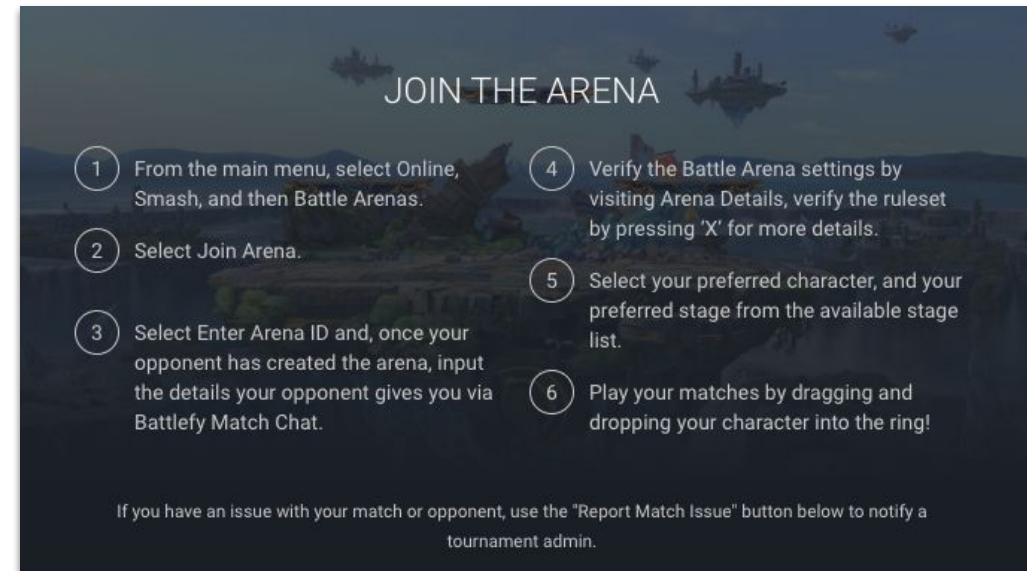

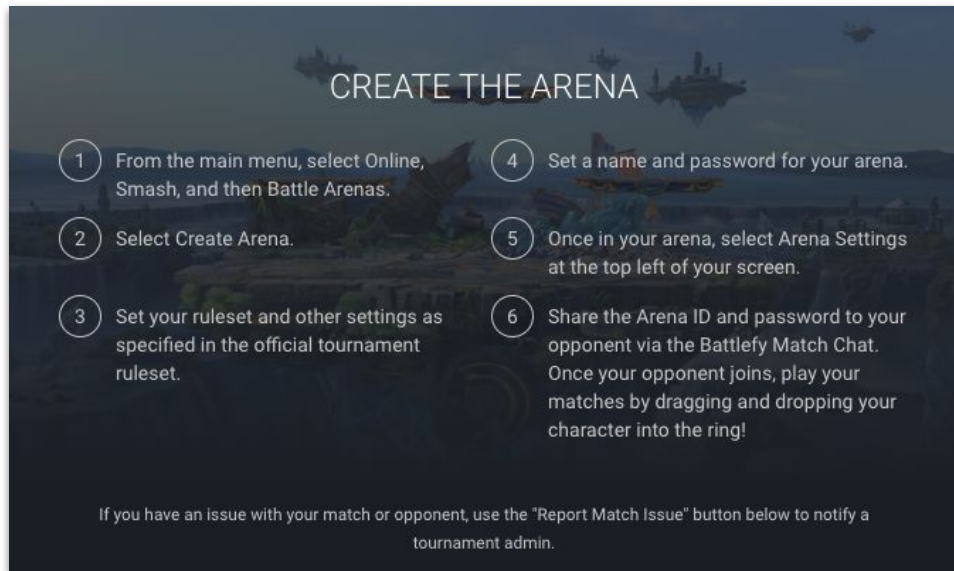

C) Busca y acepta a tu oponente

*Tu "Match Page" es donde debe estar durante la duración de su partida.
Te comunicarás con tu oponente para recibir o dar información de
Battle Arena, y reportarás tu puntuación allí.*

D) Revisa si debes crear o unirte a la Battle Arena

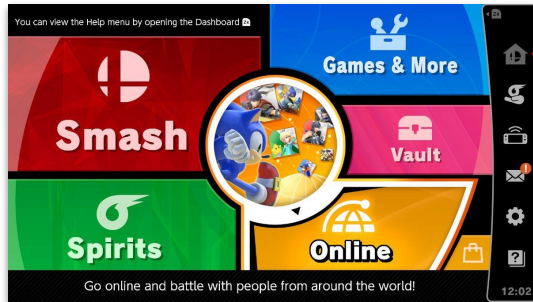

- Una vez estés en la match page, lee las instrucciones para entender si es tu turno de crear la Battle Arena, o de unirte a esta

A decorative graphic on the left side of the slide, consisting of several overlapping, semi-transparent pink geometric shapes, including triangles and polygons, creating a dynamic, abstract background element.

Creación de la Battle Arena

(Si es tu turno de unirte a una Battle Arena, ve a la pagina 110)

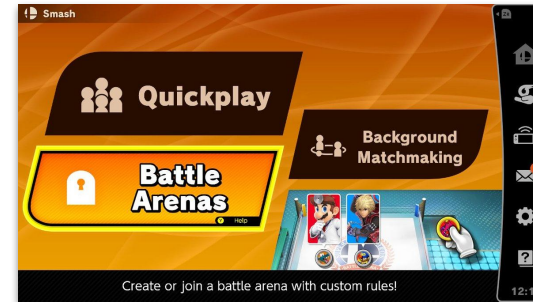

A) Creación de una Battle Arena

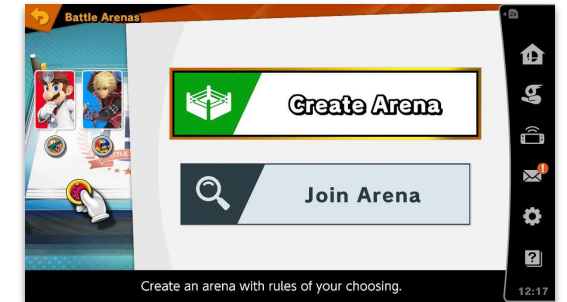

1. Selecciona Online

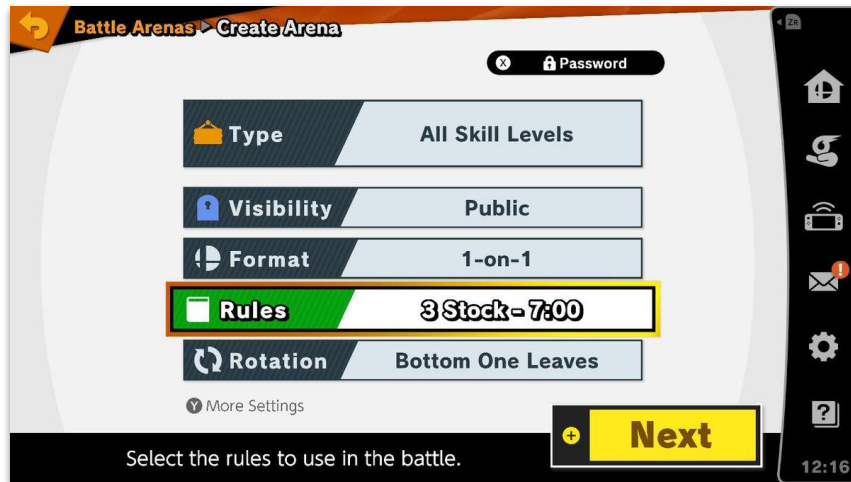

2. Selecciona Smash

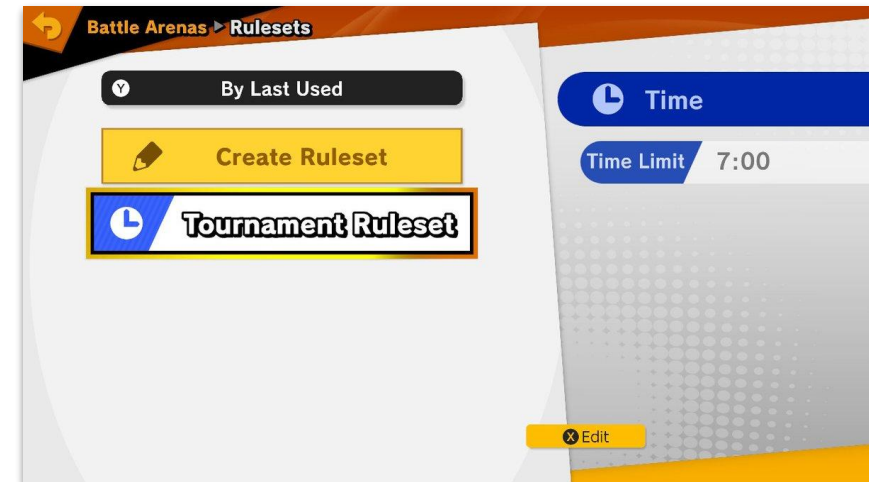

3. Selecciona Battle Arenas

4. Selecciona Create Arena

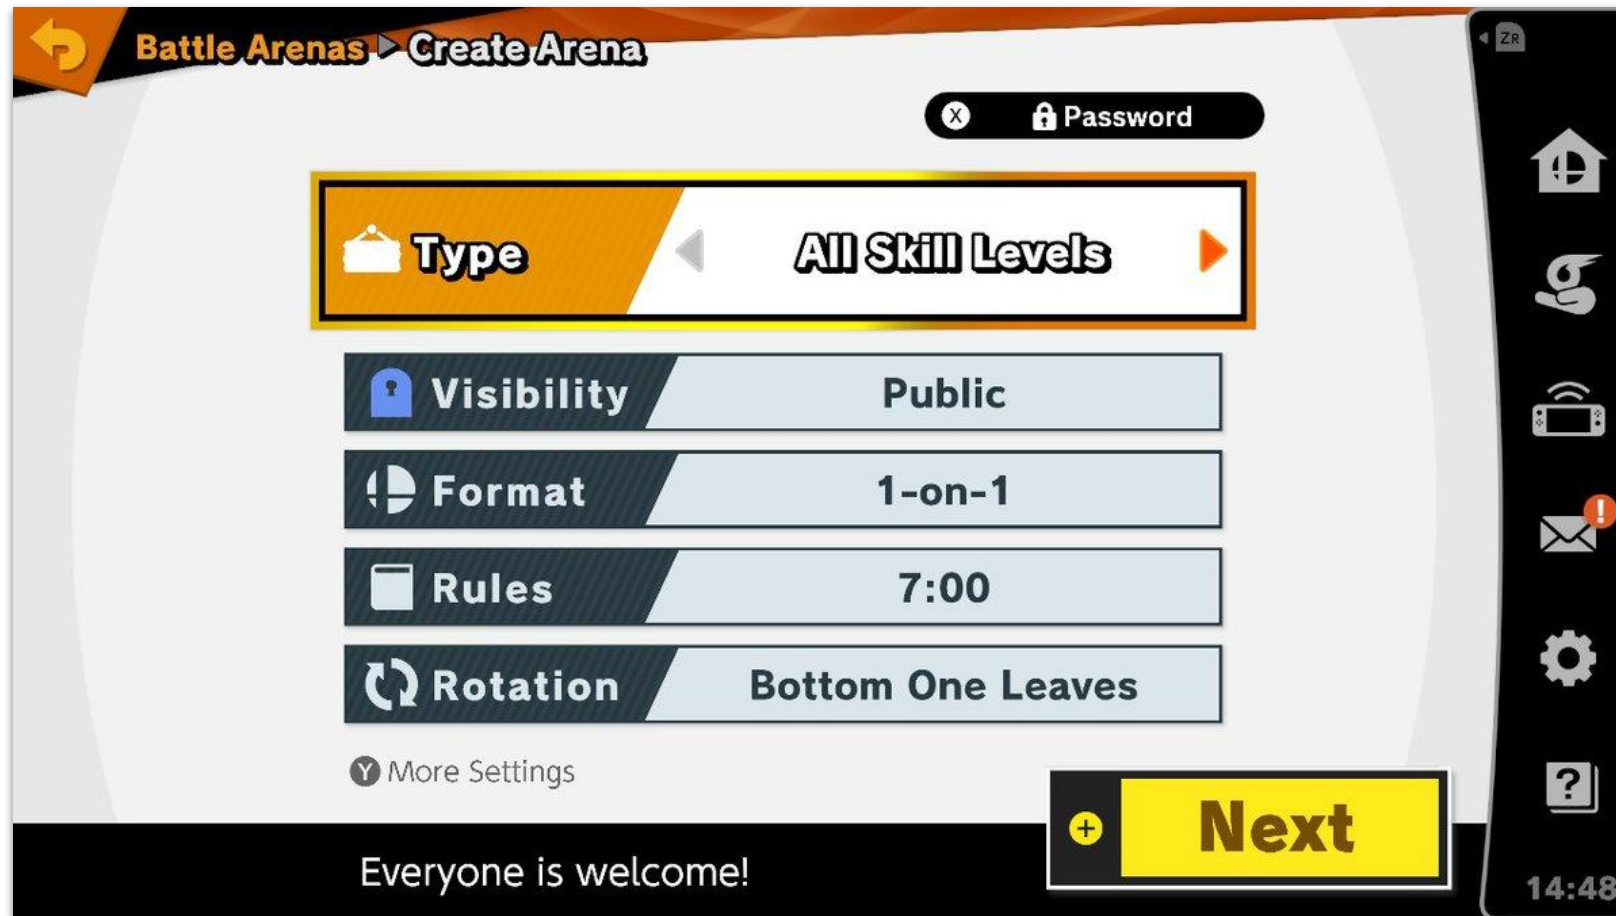

5. Selecciona Rules para escoger tu set de reglas

6. Selecciona las reglas que creaste para el torneo
(Si no lo has hecho, ve a las páginas 3 - 8)

B) Configuración de la Battle Arena

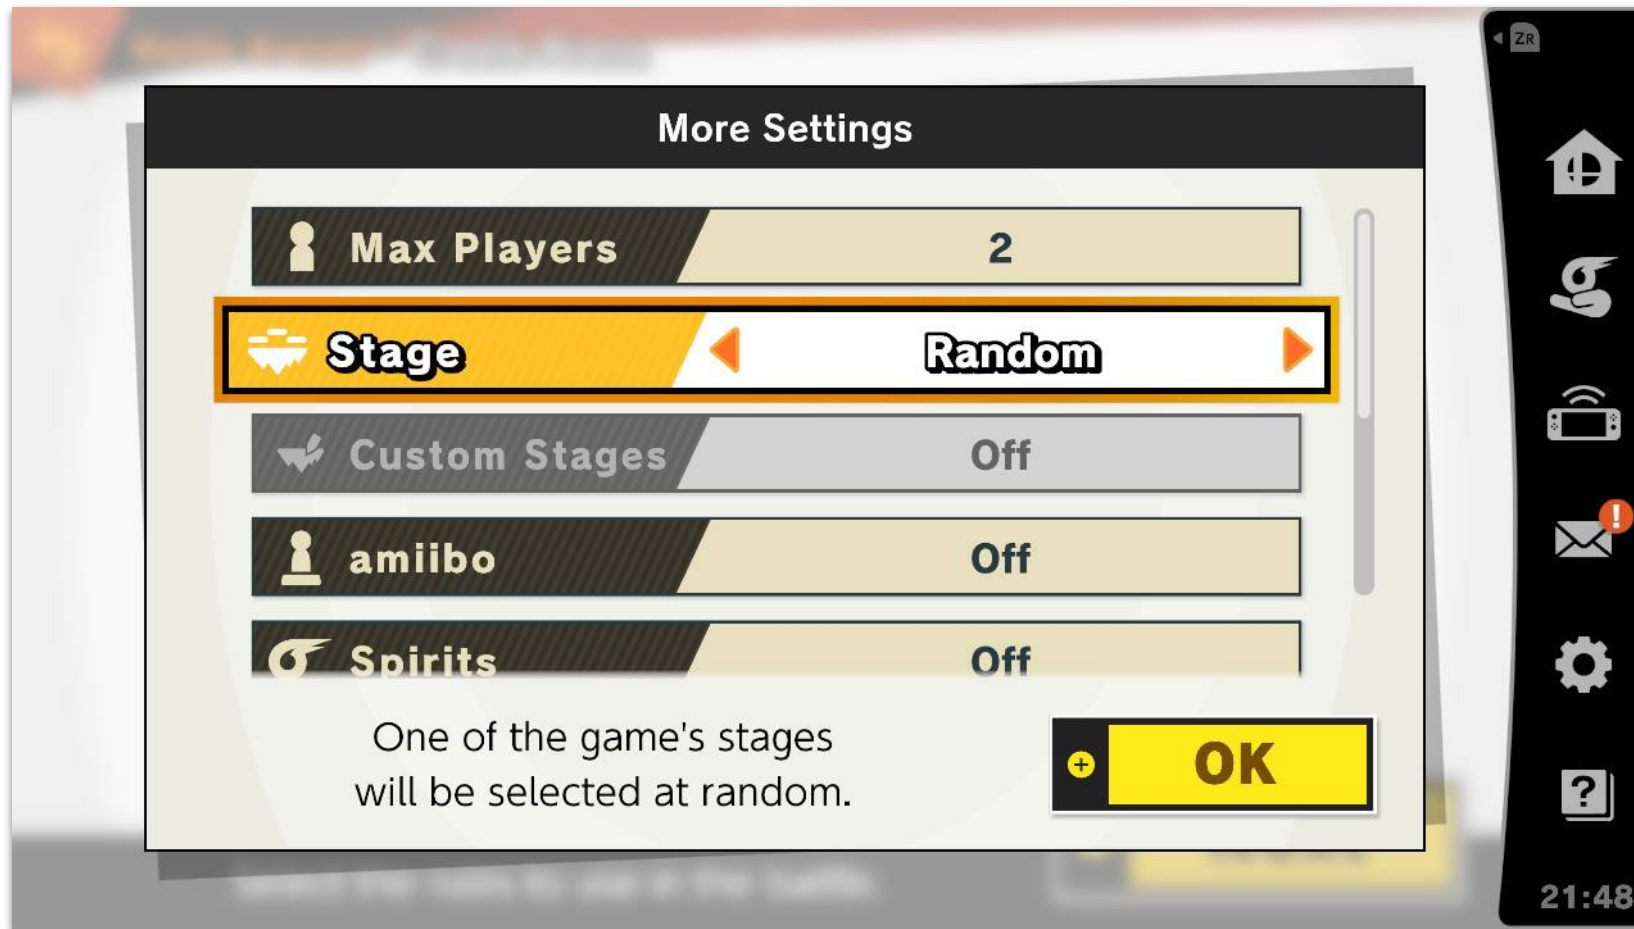

Configura la Battle Arena:

- Type: All Skill Levels
- Visibility: Public
- Format: 1-on-1
- Rotation: Bottom One Leaves
- Ensure Password is enabled by pressing 'X'

Continúa a More Settings presionando 'Y'

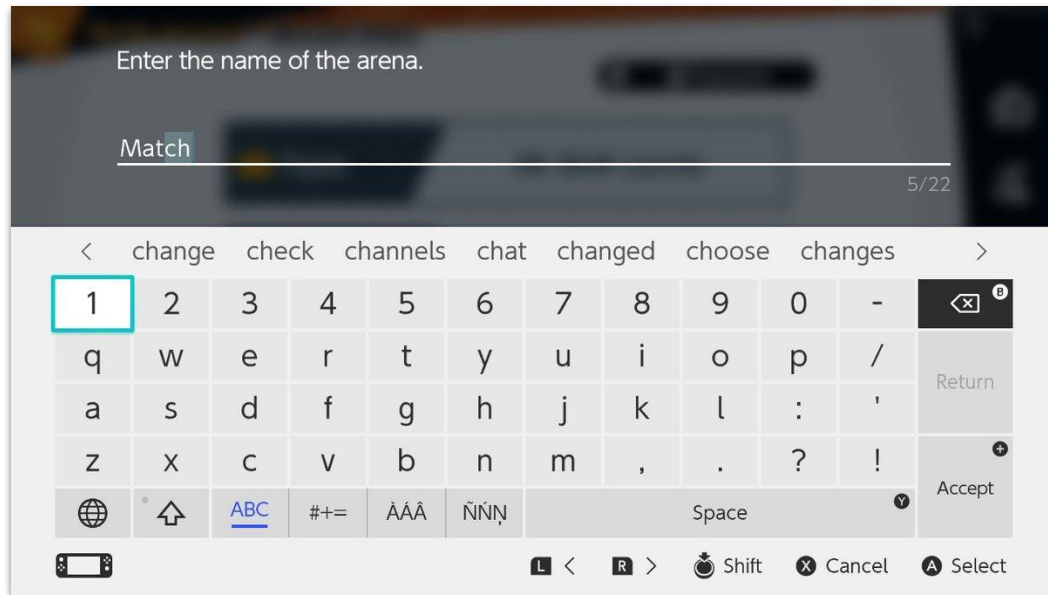

C) Configuración de la Battle Arena

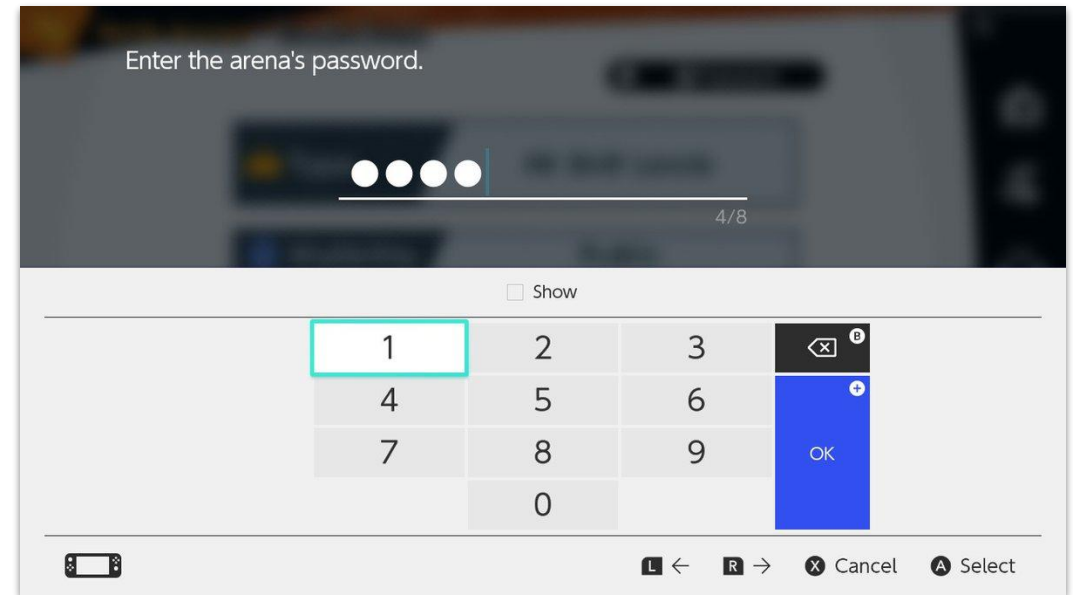

Configura More Settings:

- Max Players: 2
- Stage: Random
- Spirits: Off
- Voice Chat: Off

D) Creación de la Battle Arena

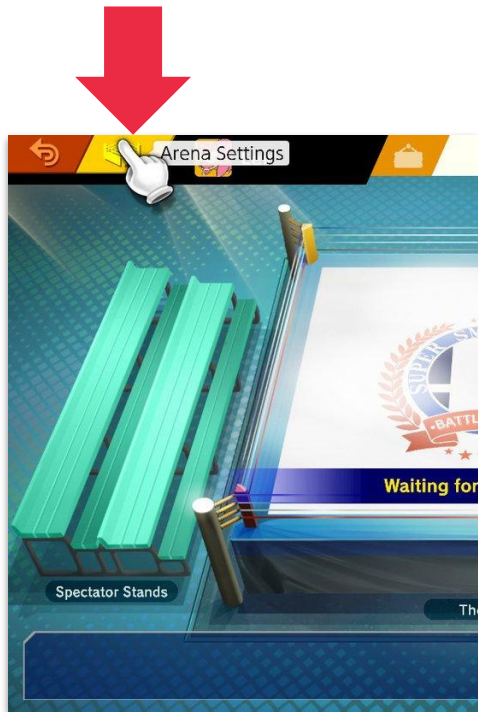

Selecciona un nombre para la Battle Arena

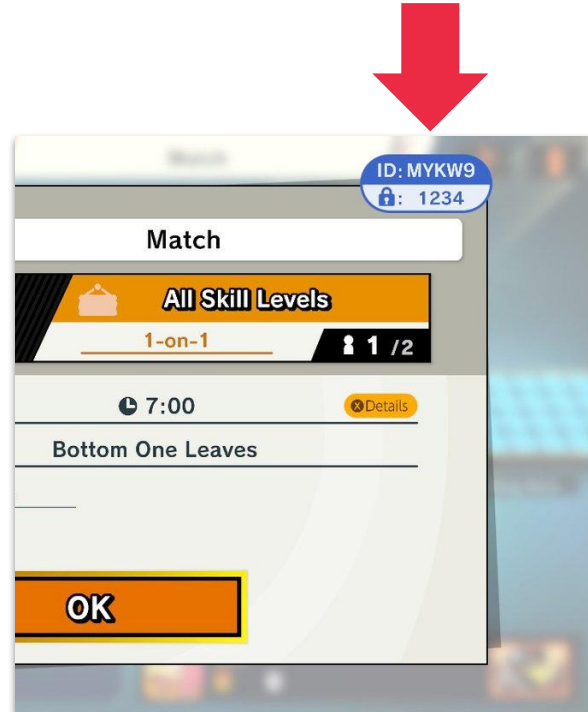

Selecciona una contraseña para la Battle Arena

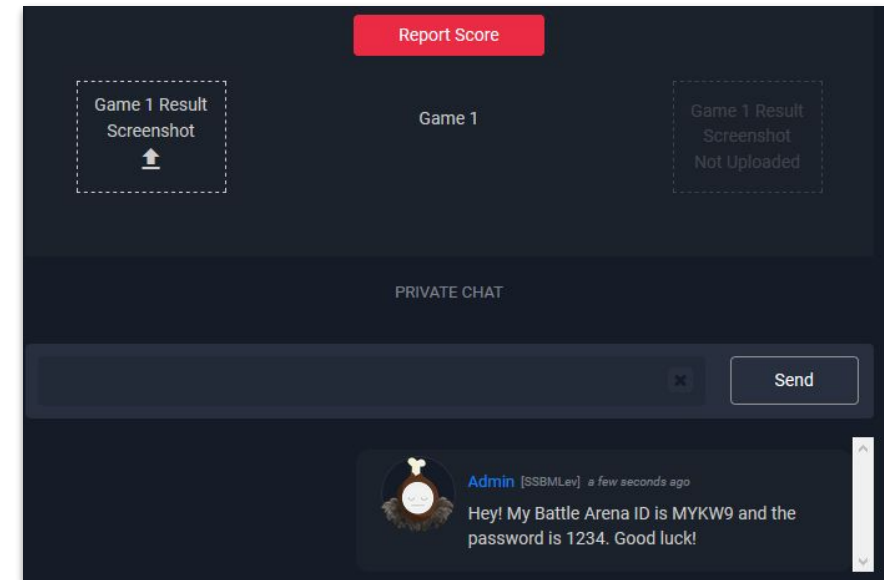

E) Comparte la información de la Battle Arena con tu oponente

Una vez en la Battle Arena, selecciona la configuración de la Arena para ver tu Battle Arena ID y contraseña

Comparte la Battle Arena ID y la contraseña con tu oponente por medio del chat de Battlefy en la Match Page

F) Selección de personaje

Selecciona el retrato de tu personaje para escoger

Selecciona y confirma

G) Entra al ring y juega tu partida

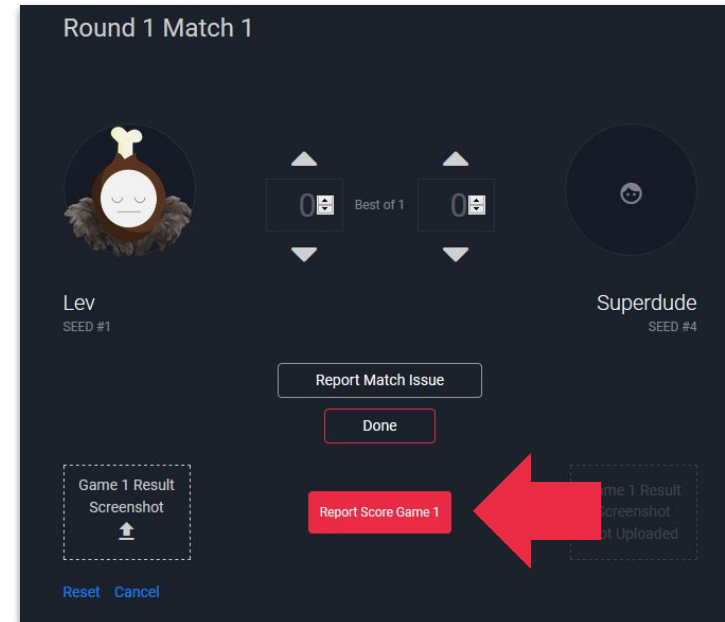

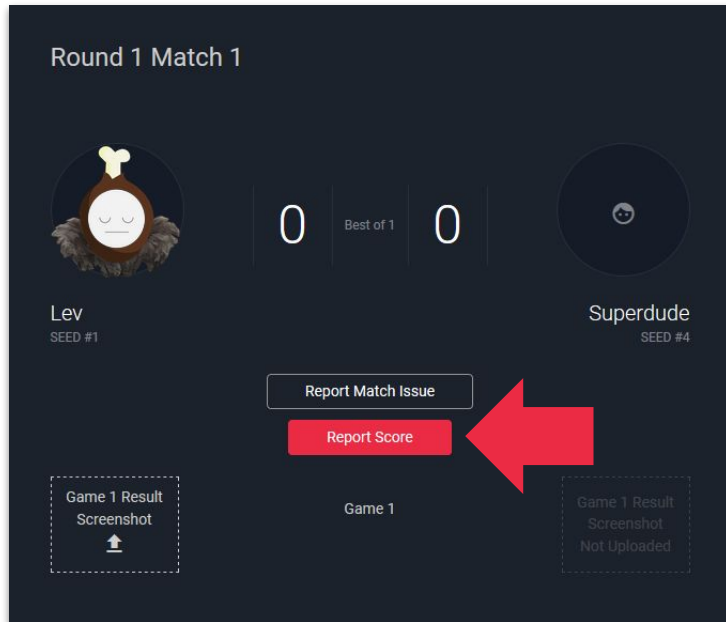

Una vez listos para competir, deben entrar al ring

Es hora de jugar, ¡mucho suerte!

H) Reporta al ganador en la Match Page

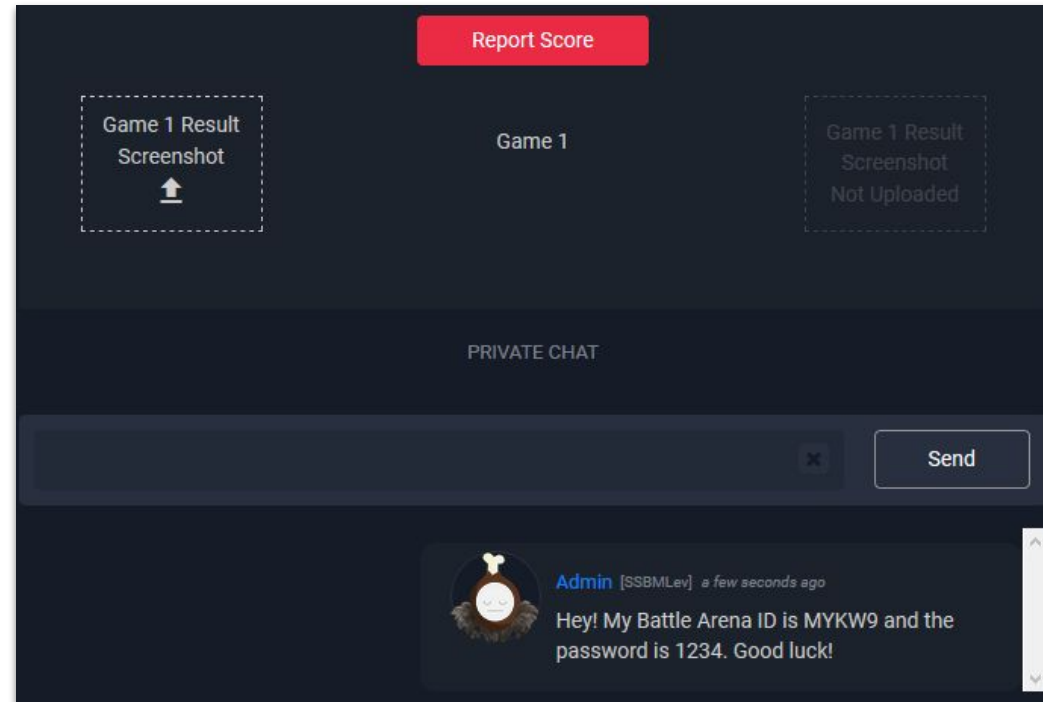

Una vez termina la partida, ve a la Match Page de Battlefy y selecciona Report Score, luego puedes reportar el resultado de la partida y seleccionar al ganador

A decorative graphic on the left side of the slide consisting of several overlapping, semi-transparent pink geometric shapes, including triangles and polygons, creating a dynamic, abstract background element.

Unirse a la Battle Arena

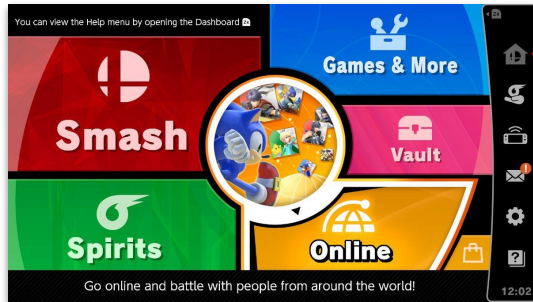

(Si estas creando la arena, ve a la pagina 100)

A) Espera por la información de la Battle Arena

Espera en la Match page de Battlefy a que tu oponente te envíe la Arena ID y la contraseña por el chat

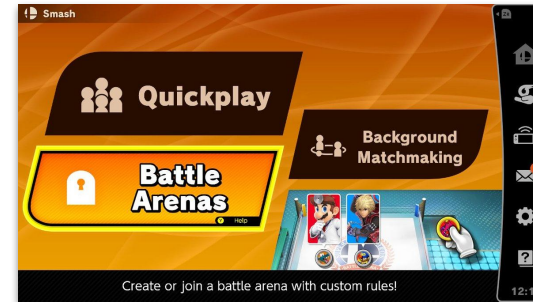

B) Unirse a la Battle Arena

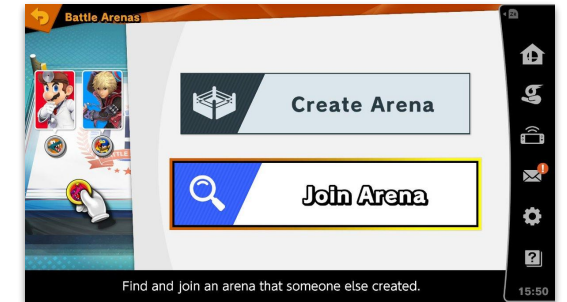

1. Selecciona Online

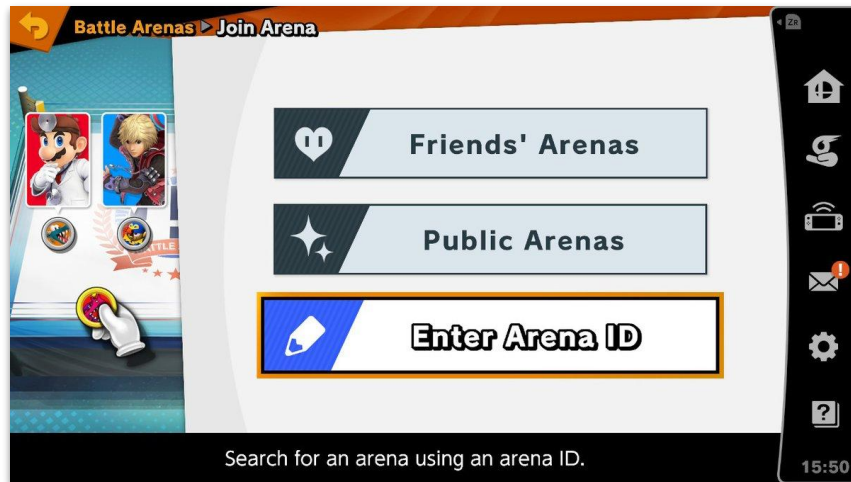

2. Selecciona Smash

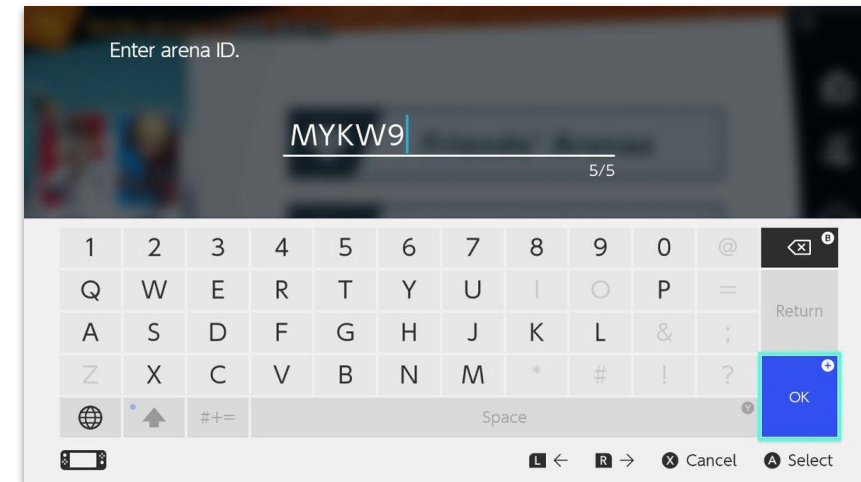

3. Selecciona Battle Arenas

4. Selecciona Join Arena

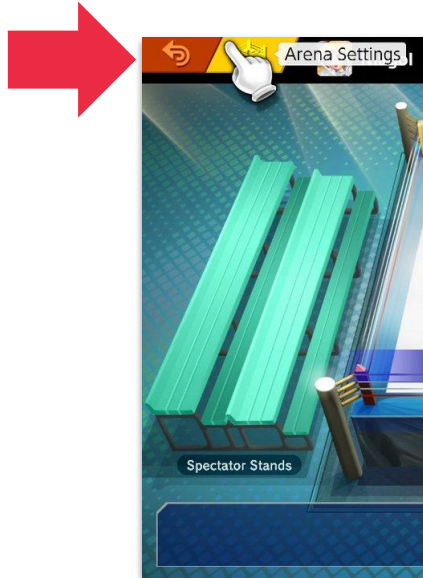

5. Selecciona Enter Arena ID

6. Ingresa el Arena ID y contraseña

C) Verifica la configuración de la Arena

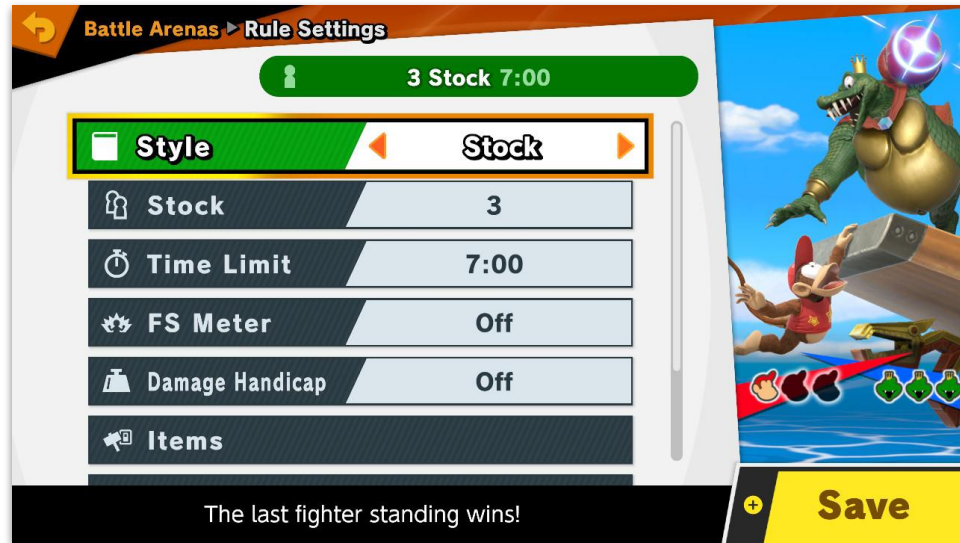

Cuando te unas a la Battle Arena, selecciona Arena Settings, y asegurate que la configuración sea la siguiente:

- Rules: 7:00
- Stock: 3
- Stage: Random

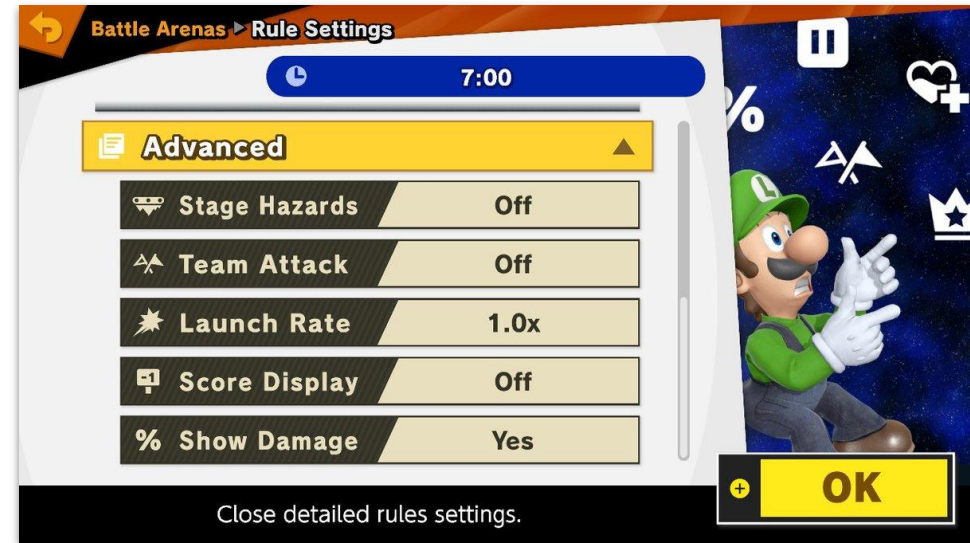

Luego presiona 'X' para revisar las reglas

C) Verifica la configuración de la Arena

Asegurate que sea:

- Style: Stock
- Stock: 3
- Time Limit: 7:00
- FS Meter: Off
- Damage Handicap: Off
- Items: Items are set according to the official rules

Luego selecciona Advanced y asegurate que sea:

- Stage Hazards: Off
- Team Attack: Off
- Launch Rate: 1.0x
- Score Display: Off
- Show Damage: Yes

D) Selección de personaje

Selecciona el retrato de tu personaje para escoger

Selecciona y confirma

E) Entra al ring y juega tu partida

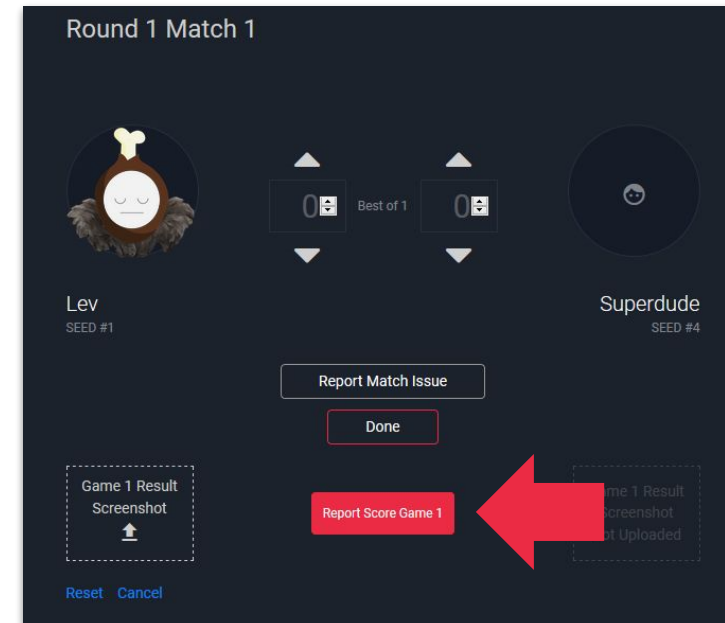

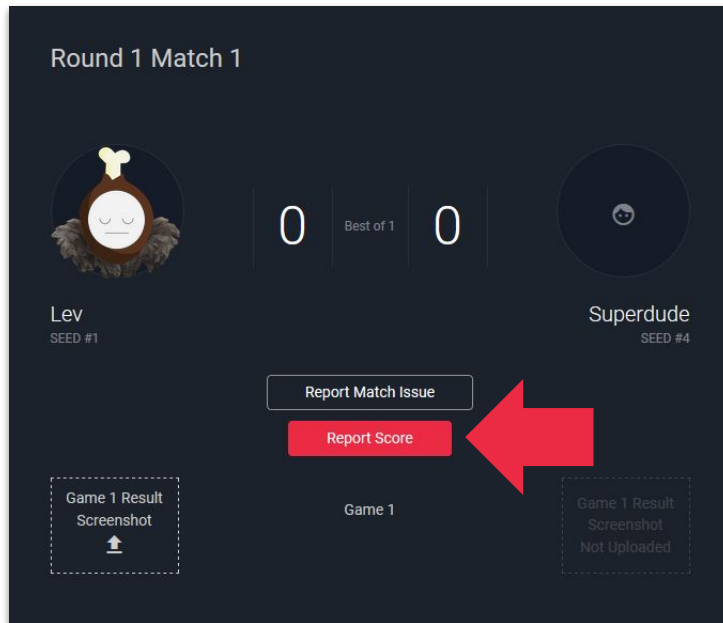

Una vez listos para competir, deben entrar al ring

Es hora de jugar, ¡mucho suerte!

F) Reporta al ganador en la Match Page

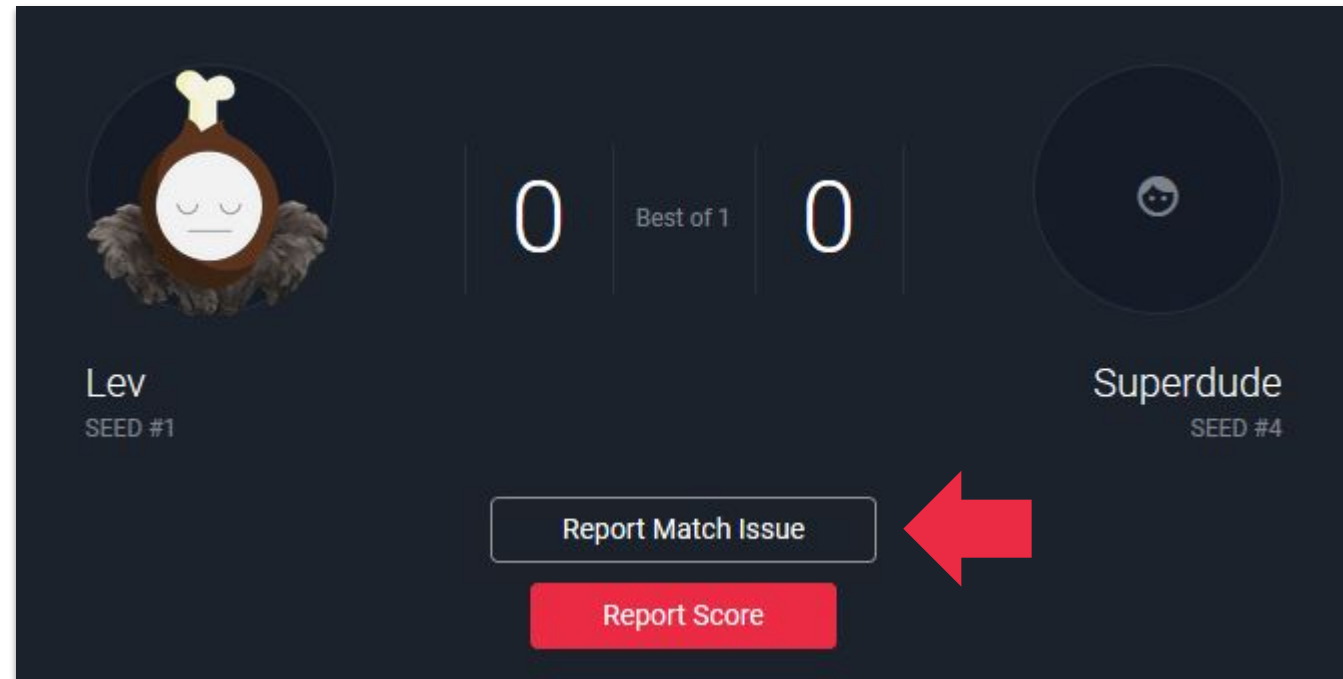

Una vez termina la partida, ve a la Match Page de Battlefy y selecciona Report Score, luego puedes reportar el resultado de la partida y seleccionar al ganador

Información Importante Adicional

Aprende qué debes hacer en caso que algo salga mal en una partida, o si necesitas asistencia de un administrador por alguna razón

Si tienes un problema en tu partida

- Si por alguna razón tienes un problema con tu partida, selecciona Report Match Issue en la Match Page para notificar a los administradores
- Communicate with the administrators in the chat of the Match Page

<https://discord.gg/cvc3byJ>

Si tienes preguntas relacionadas con el torneo, pero no de una partida en específico, asegúrate de preguntarlas en el canal oficial de soporte. También recibirás actualizaciones del torneo en este canal
