Use of any robots or other system to automate participation, or otherwise participate unfairly, is prohibited and may result in disqualification in Sponsor's discretion. In the event of a dispute as to any registration, the authorized account holder of the email address or Nintendo Account user ID used to register will be deemed to be the entrant. The "authorized account holder" is the natural person assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address.
- E. **Tournament Check-In:** Each player must Check-In for the Tournament during the hour leading up to the start of pool play by going to the Tournament competition portal located at this battlefy.com/supersmashbros2019/. For each match, players will be required to check-in to the match as soon as possible. If your opponent has to wait more than 10 minutes for you to check-in to the match after they have checked-in, you will be given a match loss by tournament administrators. If neither player has checked into a match within 15 minutes after the match has been generated, both players will be disqualified and/or given match losses at the discretion of the tournament administrators. The host must be a player who is participating in the match except during the Grand Finals Round which will be hosted by Battlefy. The host will communicate the Battle Arena ID and password to their opponent via the Battlefy Private Chat located on the match page accessible from the Battlefy Tournament bracket or the player guide available from Battlefy's website for the Tournament. The host is encouraged to create a password for the room and share with opposing player to limit non-participants from accidentally joining, but this is not required.
- G. **Reporting Scores:** The winner of the match is responsible for reporting the score on the corresponding match page accessible from the Battlefy bracket once a match is complete. It is advised that the winning player should verify the results in case of a mistake in the score reporting process. Using the "Capture" button on the controller, each player should take screen shots and/or video of the victory screen in case of a dispute on the reporting. If you have any problems, please request help from an Tournament administrator via the "Report Match Issue" button located on each Battlefy match page.
- H. **Disconnection:** If a player disconnects during a game after at least 1 minute has transpired or they have been KO'd once, the player forfeits the match. In the event of a dispute, the player that experiences the disconnection is responsible for providing video evidence of the disconnection via the Nintendo Switch Capture feature.

- iv. **Winner Notification for Tournament prize:** The potential winners will be notified via email approximately two (2) to ten (10) days following Tournament using the contact information provided upon registration. To claim a prize, a potential winner (or if a Minor, his or her parent or legal guardian) must follow the instructions contained in the notification and respond within two (2) days. If a potential prize winner does not claim the prize or return the Release Forms specified below within such period of time, or is unable to travel on the dates specified by Sponsor for the Nintendo Live event, such winner's prize may be forfeited and awarded to an alternate winner (e.g., the Tournament player with the next highest score), at Sponsor's discretion, provided sufficient time remains to verify an alternate winner; otherwise, prize will not be awarded.
- v. **Prizes Involving Travel:** The airline(s), ground transportation (if applicable), airports, and hotel(s) will be chosen by Sponsor at Sponsor's sole discretion. Trip packages, dates and times of travel, events and accommodations are subject to availability, and travel restrictions, conditions, and limitations may apply. Each winner and his or her Travel Guest (if winner is eligible to receive travel for a Travel Guest in accordance with these Official Rules) must travel together on the same trip itinerary, must travel on the dates specified by Sponsor, which are subject to change, and are solely responsible for having any required travel-related documents (including valid government-issued photo identification and/or any required passport or visa) prior to departure and fulfilling all other travel and security requirements; or prize will be forfeited in its entirety and may be awarded to an alternate winner, at Sponsor's discretion, provided sufficient time remains to verify an alternate winner; otherwise, prize will not be awarded. Once the Travel Guest is determined, he/she cannot be changed without the express approval of Sponsor (which may be withheld for any reason). Sponsor will pay only the nightly rate and taxes for the hotel (all other incidental hotel expenses are the responsibility of the winner). Each winner is responsible for all expenses, incidental travel costs, and all other costs not expressly provided in the prize description set forth above, including, but not limited to, ground transportation, meals, incidentals, passport costs, visa fees, and entry/exit fees, taxes, insurance, and other expenses. If winner is a Minor, winner's Travel Guest must be the winner's parent or legal guardian and accompany Minor at all times. Sponsor will not be responsible if the winner or Travel Guest misses any portion of the Trip for any reason. No insurance is provided as part of the Trip, and obtaining any insurance (such as travel insurance, health, accident or medical insurance, or property loss or damage insurance) is the sole responsibility of the winner and his or her Travel Guest. The winner is responsible for the conduct and behavior of his or her guests, unless the winner is a Minor, in which case the Travel Guest is the winner's parent or legal guardian, and the Travel Guest is responsible for

the conduct and behavior of the winner. Sponsor will not replace any lost or stolen tickets, travel vouchers, or certificates. No responsibility is assumed for any cancellation or rescheduling of any of the events included in the prize, in whole or in part. If any of the events included in the prize are postponed or cancelled for any reason, winner may not receive opportunity to attend those events as part of prize, and the remaining elements of prize shall constitute full satisfaction of Sponsor's prize obligation to winner and no substitute or additional compensation will be awarded.

- B. In General:** This is a skill-based competition. Odds of winning depend on number and quality of eligible players participating in the Tournament. No alternative prize, cash, or other substitution shall be permitted, but Sponsor reserves the right to substitute any prize with a prize of equal or greater value, should the prize become unavailable for any reason. Arrangements for the fulfillment of the prize will be made by Sponsor. Prizes are non-transferable. The prizes will be awarded "AS IS" and WITHOUT WARRANTY OF ANY KIND, express or implied (including, without limitation, any implied warranty of merchantability or fitness for a particular purpose). All federal, state, and/or local taxes applicable to the prize shall be solely the responsibility of the winners. Prizes will be delivered as soon as practicable by Sponsor upon verification/confirmation of the winners. Prizes won by a Minor will be awarded to a parent or legal guardian on the Minor's behalf; however, only Minor may compete in the Nintendo Live event.

VI. LICENSE GRANT

I. VIII. GENERAL TERMS AND CONDITIONS

The Tournament and these Official Rules shall be governed, construed and interpreted under the laws of the State of Washington, U.S.A. Players agree to be bound by these Official Rules and by the decisions of Sponsor, which are final and binding in all respects. Sponsor reserves the right to change these Official Rules at any time, in its sole discretion, and to suspend or cancel the Tournament, or any part thereof, or any player's participation therein, for any reason, including, without limitation, if viruses, bugs, unauthorized human intervention or other causes beyond Sponsor's control affect the administration, security or proper execution of the Tournament or Sponsor otherwise becomes (as determined in the Sponsor's sole discretion) incapable of running the Tournament as planned. THE DATES, TIMES, LOCATIONS, AND PRIZES ARE SUBJECT TO CHANGE, WITHOUT NOTICE, AT SPONSOR'S SOLE DISCRETION. Sponsor will not be responsible for problems with the gaming or other Tournament equipment. In the event

of the ROM freezing or other equipment, hardware or software failure during one of the Tournament games/rounds, Sponsor may take whatever action it determines necessary or desirable (in the sole discretion of the Sponsor) to correct or remedy the failure or impact thereof, including but not limited to switching to a different system on-stage and/or restarting the game/rounds with the same or similar settings.

Each player participating in the Tournament (and the parent and legal guardian of each, if a Minor) represents and warrants to Sponsor that the player's participation in the Tournament will not reflect negatively on Sponsor, its brands, products or services. All players (and if player is a Minor, player's parent or legal guardian) agree to behave in an appropriate and respectful manner towards other participants, spectators, press and any members of event staff. Unsportsmanlike conduct (e.g. excessive trash talking, disruptive behavior) may result in an immediate disqualification from the Tournament, in the sole discretion of the Sponsor.

Players who violate these Official Rules, tamper with the operation of a Tournament or engage in any conduct that is detrimental or unfair to Sponsor, the Tournament or any other player (in each case as determined in the Sponsor's sole discretion) are subject to disqualification from the Tournament. Sponsor reserves the right to disqualify persons whose eligibility is in question, who do not comply with these Official Rules, who are otherwise ineligible to participate in the Tournament, or for any other reason determined in the Sponsor's sole discretion. Persons who tamper with or abuse any aspect of the Tournament or related websites, as solely determined by the Sponsor, will be disqualified, and Sponsor reserves the right to terminate such player's eligibility to participate in this or any other promotion offered by Sponsor. Entries generated by robotic, programmed, script, macro or other automated means or by any means which subvert the entry process will be disqualified. Should any portion of the Tournament be, in Sponsor's sole opinion, compromised by virus, worms, bugs, non-authorized human intervention or other causes which, in the sole opinion of the Sponsor, corrupt or impair the administration, security, fairness or proper play, or submission of entries, Sponsor reserves the right at its sole discretion to modify, suspend or terminate the Tournament, and determine winners from all non-suspect, eligible player entries received prior to action taken or as otherwise deemed fair and appropriate by Sponsor.

All players, including winners, may be required to sign and return releases, tax forms or other documents requested by Sponsor (collectively, the "Release Forms"). If a potential winner is not present or otherwise cannot be contacted, is ineligible or disqualified, or fails to timely return the completed and executed agreements as required by Sponsor, the winner's status may be forfeited and an alternate winner may, at Sponsor's discretion, be designated, provided sufficient time remains to verify an alternate winner; otherwise, prize will not be awarded. Travel Guests must complete, execute and return a release and waiver, assumption and hold harmless agreements, and publicity release, together with other such documentation as Sponsor may request, prior to issuance of travel documents. If potential winner is a Minor and his or her Travel Guest does not complete, execute and return a release and waiver, assumption and hold harmless agreements, and publicity release, together with other such documentation as Sponsor may request, the winner's status may be forfeited and an alternate winner may, at the Sponsor's discretion, be designated.

These Official Rules may be distributed by Sponsor in other languages. In the event of a conflict between the English version of these Official Rules and any version of these Official Rules distributed in another language, the English version of these Official Rules shall control.

EXHIBIT A TOURNAMENT STRUCTURE

Regional Open Round: August 17, 2019

- **Time:** All regions will begin at 9:00 AM PT.
- **Format:** One-on-One (1 player vs. 1 player), Best-of-3, Ladder
 - All players who register for the ladder will be eligible to queue for a match at any time during the four (4) hour open play period
 - A minimum number of eight (8) matches (“Minimum Match Threshold”) must be played by a player for their leaderboard entry to be valid. If less than thirty-two (32) players from a region play eight (8) matches, then the Minimum Match Threshold for that region will drop as needed to reach thirty-two (32) players from that region, provided that:
 - Players with a minimum of (8) matches played will be placed higher on the leaderboard than those with less than eight (8) matches played even if those that played less matches have a higher win-loss differential
 - For players that play under eight (8) matches, players that have played more matches will be placed higher on the leaderboard than those that have played less matches even if those that played less matches have a higher win-loss differential
 - Matchmaking in the ladder will preferentially select players with similar scores in the current play period
 - Leaderboard placement is based on win-loss differential, where one match win equates to +1 points and one match loss equates to -1 points
 - Ties on the leaderboard will be broken in the following way:
 - If the win-loss differential is tied, the player with the most matches played will receive the higher ranking on the leaderboard
 - If the players have the same amount of matches played, the player with the highest amount of game wins will receive the higher ranking on the leaderboard
 - If the players have the same amount of game wins, the player with the lowest amount of game losses will receive the higher ranking on the leaderboard
 - If there are two players that have the same amount of game losses, Battlefy will moderate a single game between those two players and the winner of the game will be placed higher on the leaderboard. If there are more than two players that have the same amount of game losses, Battlefy will moderate a round robin to determine placement on the leaderboard.
- **Rules:**
 - Players will play up to three (3) games to determine the winner of the match.
 - Players will report their score to Battlefy as described in these Official Rules.
 - In the event of a tie in a single game, the winner will be determined by in-game decision. If an in-game decision is not conclusive, play will continue in sudden death until a winner is determined.
 - If sudden death is not an option, Battlefy will moderate a rematch.
 - If there is a dispute, Battlefy will moderate and if Battlefy determines that the result is still unclear, Battlefy will moderate a rematch.
